

# Coco'Nut' Funnies

Yesterday my son e-mailed me asking why I didn't do something useful with my time. "Like sitting around playing on my computer is not a good thing?" I asked.

Talking about my "doing something useful" seems to be his favorite topic of conversation.

He said he was "only thinking of me," he said and suggested that I go down to the Senior Center and hang out with the ladies. I did this and when I got home last night, I decided to play a prank on him. I e-mailed him and told him that I had joined a Parachute Club.

He replied, "Are you nuts? You are 60 years old and now you're going to start jumping out of airplanes?"

I told him that I even got a Membership Card and e-mailed a copy to him.

He immediately telephoned me and yelled, "Good grief, Mom, where are your glasses?! This is a Membership to a Prostitute Club, not a Parachute Club!"

"Oh man, I'm in trouble again, I said, I really don't know what to do. I signed up for five jumps a week!!"

The line went quiet and his friend picked up the phone and said that my son had fainted.

Life as a senior citizen is not getting any easier, but sometimes it can be fun!

Finally. My bills are washed, laundry is paid, clothes are baking and dinner is in the dryer. I got this!

Q: How many telemarketers does it take to change a light bulb?  
A: Only one, but he has to do it while you are eating dinner.

"I have a sore throat, Doctor. I ache, I have a fever."

"Sounds like a virus."

"Everyone in the office has it."

"Well then, maybe it's a staff infection."

As long as a lady carries a book with her, she will always have company

and a weapon.

A couple go for a meal at a Chinese restaurant, and order the 'Chicken Surprise.'

The waiter brings the meal, served in a lidded cast iron pot. Just as the wife is about to serve herself, the lid of the pot rises slightly and she briefly sees two beady little eyes looking around, before the lid slams back down.

'Good grief, did you see that?' she asks her husband.

He hadn't, so she asks him to look in the pot.

He reaches for it and again the lid rises and he sees two little eyes, looking around before it slams down.

Rather perturbed, he calls the waiter over, explains what is happening, and demands an explanation.

'Please sir,' says the waiter, 'what did you order?'

The husband replies, 'Chicken Surprise.'

'Ah! So sorry,' says the waiter, 'I brought you Peeking Duck!'

A very virginal Chinese couple got married.

On their wedding night, the husband politely asked his new bride "What would you like?"

She replied "I want {giggle} {giggle} 69 {giggle}."

He was puzzled, and replied "What?"

She again said "I want {giggle} 69 {giggle}."

He said "You want chicken with broccoli?"

Went to the shooting range with some friends the other day. Afterwards we stopped at Hooters for some wings and a beer. One of my friends asked, "Which waitress would you like to be stuck in an elevator with?" I answered, "The one that can fix elevators."  
I'm old, I'm tired and I pee alot.

Three nuns were traveling in a car. There was a horrible accident, and they all died. They find themselves up at the Pearly Gates.

St. Peter says, "Let me explain the rules. You have to answer a question to get into heaven."

He turns to the oldest nun and says "You first. Who was the first man?"

She replies "Adam."

And the thunder rolls, and the music plays, and the Pearly Gates swing open.

She goes in and the gates close.

St. Peter turns to the second nun and says "Who was the first woman?"

She replies "Eve."

And the thunder rolls and the music plays and the Pearly Gates swing open.

She goes in and the gates close.

St. Peter turns to the third nun. She says "Wait a minute. I didn't think it would be that easy to get into heaven.

Can you give me a more difficult question?"

St. Peter says OK, and thinks for a minute. Then he asks "What were Eve's first words to Adam?"

The nun thinks for a long time. She's scratching her head, and mumbles under her breath "Ooh, that's a hard one."

And the thunder rolls, and the music plays ...

*I picked up my sons from school and stopped to get gas, and invited them to get out of the car and learn how to do it.*  
*Afterwards the 11 year old says, "Thanks for the life lesson, but I'll never drive a gas car."*  
*The 13 year old says, "This is like the time you showed us how a pay phone works."*

A mother and her young son were flying Southwest Airlines from Kansas City to Chicago.

The little boy (who had been looking out the window) turned to his mother and asked, 'If big dogs have baby dogs and big cats have baby cats, why don't big planes have baby planes?'

The mother (who couldn't think of an answer) told her son to ask the flight attendant. So the boy went down the aisle and asked the flight attendant, 'If big dogs have baby dogs and big cats have baby cats, why don't big planes have baby planes?'

The busy flight attendant smiled and said, 'Did your Mother tell you to ask me?' The boy said, 'Yes, she did.'

'Well, then, you go and tell your mother that there are no baby plane; because Southwest always pulls out on time. Have your mother explain that to you.'

A man has been stranded on an island for the past 10 years. One day, he spots something moving on the horizon and it seems to be getting closer. As he's waiting, the figure emerges from the sea, it's a beautiful blonde in a wetsuit. She slowly starts to unzip her suit.

Blonde:" Would you like a cigarette? How long has it been since you've had one?"

Man:" I'd love one! I haven't had one since I've been stranded here and that's been 10 years! She reaches into her suit and hands the man a pack of cigarettes and a lighter.

Blonde:" How about a drink?" "How long has it been since you've had a drink?"

Man:" Oh! I can't wait! That too I haven't had in 10 years! She reaches into the other side of her suit and gives the man a pint of whiskey.

Blonde:" When is the last time you played around?"

Man:" No way! Don't tell me you have a set of golf clubs in there too!"
