Key Players Present - The Play That Goes Wrong

A talented Cast of nine takes on multiple roles to bring a zany cast of characters to this production. Even the Crew members step into some roles.

Are they having an affair?

What is happening outside the window?

From Mischief, Broadway masters of comedy, comes the smash hit farce. Welcome to opening night of the Cornley University Drama Society's newest production, The Murder at Haversham Manor, where things are quickly going from bad to utterly disastrous. This 1920s whodunit has everything you never wanted in a show—an unconscious leading lady, a corpse that can't play dead, and actors who trip over everything (including their lines). Nevertheless, the accident-prone thespians battle against all odds to make it through to their final curtain call, with hilarious consequences! Part Monty Python, part Sherlock Holmes, this Olivier Award-winning comedy (Best New Comedy) is a global phenomenon that's guaranteed to leave you aching with laughter!

Gabe Rivera (Tessa) is rocking the tech booth.

Catie bringing her character to life.

Brock and Craig as the set falls apart around them.

Jax and Jessica: to drink or not to drink?

A second murder.

Christina and Brock.

He is dead... what do we do?

Maybe not dead?
