Upper Crust Pizza at 101.6 Overseas Highway has been chosen for the Coconut Telegraphs Restaurant of the Month because they have the best friendly service, the food is all made from scratch, and the prices are reasonable. Owners, David Formamek and wife Martina, and waitress Carolina can't wait to serve you.

In the 7 years the Formameks have owned the business it hasn't changed. They are still baking fresh bread daily. You can smell the aroma from outside on the bike path.

There are daily lunch specials Monday thru Friday. This is a great place to take a vegetarian as they have several vegetarian plates to choose from including the Veggie sub and Veggie melt which the ladies love, there is also Spaghetti and veggies, Vegetarian Lasagna, Veggie Pasta and Vegetarian Pizza.

David, the owner tells us his signature dish is the mouth watering Seafood Pizza which includes lobster, crabmeat, scallops with butter and fresh garlic in a creamy Alfredo sauce. He also recommends the Buffalo shrimp and Chicken Wings, they are a local's favorite.

The Upper Crust is open from 11 AM to 10 PM every day. They will deliver from open to close. Stop in and try some homemade sangria with fresh fruit or imported beer, there is Pilsner Urquell and Warsteiner Dunkel on tap and Czechvar in the bottle.

What is the best part? The FREE BEER! Every Tuesday and Thursday is locals day and you get a free pitcher of beer with the purchase of a large pizza from open till close.
