## Entertainer of the Month Michael Holler, MA, NCC, LMHC

The Coconut Telegraph has a truly amazing duo this month. Michael Holler is 'Entertainer of the Month' and his wife Susan Kay Holler is Artist of the Month. Susan is a Real estate professional as well as an artist and Michael is a Licensed Mental Health Counselor with a Master of Arts in professional psychology in private practice in Tavernier that has also been a musician for 35 years.

Michael plays mostly the Oldies such as Gordon Lightfoot and the Eagles. His music is so soothing you won't want to miss one minute of it. He plays the keyboard and acoustic electric guitar along with vocals that keep this fan glued to my seat. One thing that separates Michael from other single acts is that his backup tracks are all his

own personally generated music. He majored in Voice at his first college and has performed in two operas. Michael moved to the Keys to teach scuba diving but the insurance was so expensive he decided to open his counseling practice. He is also a divorce mediator. You can hire Michael to play music for your wedding, get marriage counseling after the wedding, have him mediate the divorce and then play music for the divorce party! But seriously, Michael is available for weddings, private parties and fill-in gigs for other musicians. He currently is playing at Gilbert's Resort and you can hear him there Saturday July 21st from 7 to 11 pm. To contact him call 305-393-1230.

## The Town Crier: Putting Rumors to Rest
