Not Just Another Blonde Joke

An old blind guy walks into a girl biker bar by mistake.

After sitting there for a while, he yells to the bartender - 'Hey, you wanna hear a blonde joke?' The whole bar immediately falls absolutely silent. In a very deep, husky voice, the woman next to him says -

'Before you tell that joke Cowboy, I think it is only fair, given that you are blind, that you should know five things':

1. The bartender is a blonde girl with a baseball bat.
2. The bouncer is a blonde girl with a 'Billy Club'.
3. I'm a 6 foot tall, 175 pound blonde woman with a black belt in karate.
4. The woman sitting next to me is blonde and professional weight lifter.
5. The lady to your right is blonde and a professional wrestler.

'Now, think about it seriously, Cowboy... Do you still wanna tell that blonde joke?'

The old guy thinks for a second, shakes his head and mutters

'No, not if I'm gonna have to explain it five times...'

A 10-year-old girl was walking home, alone, from school one day, when a big man on a black motorcycle pulls up beside her. After following along for a while, turns to her and asks,

"Hey there little girl, do you want to go for a ride?"

"NO!" says the little girl as she keeps on walking.

The motorcyclist again pulls up beside her and asks,

"Hey little girl, I will give you \$10 if you hop on the back."

"NO!" says the little girl again as she hurries down the street.

The motorcyclist pulls up beside the little girl again and says,

"Okay kid, my last offer! I'll give you 20 bucks and a big bag of candy if you will just hop on the back of my bike and we go for a ride."

Finally, the little girl stops and turns towards him and yells...

"Look, Dad. You're the one who bought the Honda instead of the Harley ... YOU RIDE IT!!"

"It's a new anti-depressant—instead of swallowing it, you throw it at anyone who appears to be having a good time."

As we get older, we start to forget things...

People say that drinking milk makes you stronger.

Drink 5 glasses of milk and try to move a wall. Can't?

Now drink 5 glasses of wine. The wall moves all by itself!

KEYS COMMERCIAL FISH'N

The IRS suspected a fishing boat owner wasn't paying proper wages to his deckhand and sent an agent to investigate him.

IRS AUDITOR: "I need a list of your employees and how much you pay them."

Boat Owner: "Well, there's Clarence, my deckhand, he's been with me for 3 years. I pay him \$1,000 a week plus free room and board. Then there's the mentally challenged guy. He works about 18 hours every day and does about 90% of the work around here. He makes about \$10 per week, pays his own room and board, and I buy him a bottle of Bacardi rum and a dozen Budweisers every Saturday night so he can cope with life. He also gets to sleep with my wife occasionally."

IRS AUDITOR: "That's the guy I want to talk to - the mentally challenged one."

Boat Owner: "That would be me. What would you like to know?"
