**NOW THAT'S HOW YOU TAKE ENGAGEMENT PHOTOS!**

With the rise of self-driving vehicles these days, it's only a matter of time before there is a country song where the guy's truck leaves him too.

NEVER walk a mile in my shoes. You'll just end up drunk, lost, and looking for your shoes!

Been dating same girl for 5 years, and I always keep her picture in my phone. Whenever I face difficulties in life, I take out my phone and stare at her picture. And it comforts me knowing that... if I can survive being in a relationship with this psychopath, I can survive anything.

We think the gators put the sign up!

THANKS TO SUZANNE MASON

HOME OF THE **Glass Bottom Bar™**

The Pilot House Restaurant is a local's favorite and a Key Largo landmark. You can choose to dine outside at our waterfront Glass Bottom Bar™ overlooking our five-star marina. Or, if you're looking for a more private experience consider dining indoors in air-conditioned comfort.

All dining experiences offer a selection of beer, wine, cocktails, fresh local seafood and shellfish prepared a variety of ways, a broad choice of appetizers, sandwiches, land and sea entrées, and desserts. For the little ones we have a full kids' menu.

Episode: "Succulent Sandwiches"

This trip, Guy Fieri's diggin' into succulent sandwiches! In Oakland, a real-deal butchery stacking up killer cheesesteak and off-the-chain chicken. In Modesto, Calif., a funky food truck putting pastrami on pretzel bread and cooking pulled pork in root beer. **And in Key Largo, Florida, a seafood staple servin' up a sandwich that's become a local legend.** (Episode: DV2407H)
