

# Coco'Nut' Funnies

A blonde goes to the post office to buy stamps for her Christmas cards. She says to the clerk, "May I have 50 Christmas stamps?" The clerk asks, "What denomination?" The blond says, "God help us. Has it come to this? Give me 22 Catholic, 12 Presbyterian, 10 Lutheran and 6 Baptists."

## Christmas Trees and Onions

A family is at the dinner table. The son asks his father, "Dad, how many kinds of boobs are there?"

The father, surprised, answers, "Well, son, there are three kinds of Boobs. In her 20s, a woman's are like melons, round and firm. In her 30s to 40s, they are like pears, still nice but hanging a bit. After 50, they are like onions."

"Onions?"

"Yes, you see them and they make you cry." This infuriated his wife and daughter, so the daughter asked, "Mom, how many kinds of willies are there?"

The mother, surprised, smiles and answers, "Well dear, a man goes through three phases. In his 20s, his willy is like an oak tree, mighty and hard, in his 30s and 40s, it is like a birch, flexible but reliable.

After his 50s, it is like a Christmas Tree."

"A Christmas tree?"

"Yes - the root's dead and the balls are just for decoration."

A man and a woman are sitting beside each other in the first class section of the plane. The woman sneezes, takes a tissue, gently wipes her nose, and shudders quite violently in her seat. The man isn't sure why she is shuddering and goes back to reading.

A few minutes pass. The woman sneezes again. She takes a tissue, gently wipes her nose and shudders quite violently in her seat.

He turns to the woman and says, "Twice you've sneezed and twice

you've taken a tissue and wiped your nose then shuddered! Are you sending me signals, or what?"

The woman replies, "I'm sorry if I disturbed you. I have a rare condition and when I sneeze, I have an orgasm."

The man, now feeling a little embarrassed but even more curious says, "I've never heard of that before. What are you taking for it?"

The woman looks at him and says, "Pepper."

## Why Men Wear Earrings

Did you ever wonder why earrings became so popular with men?

A man is at work when he notices his co-worker is wearing an earring. The man knows his co-worker a normally conservative fellow and is curious about his sudden change in "fashion sense."

The man walks up to him and says, "I didn't know you were into earrings."

"Don't make such a big deal, it's only an earring," he replies sheepishly.

His friend falls silent for a few minutes, but then his curiosity prods him to ask, "So, how long have you been wearing one?"

"Ever since my wife found it in my truck."

I always wondered how this trend got started; now I know!

I don't understand how I can remember every word from a song from 1984, but I can't remember why I went into the kitchen.

If by "crunches" you mean the sound potato chips make when you chew them, then yes, I do crunches.

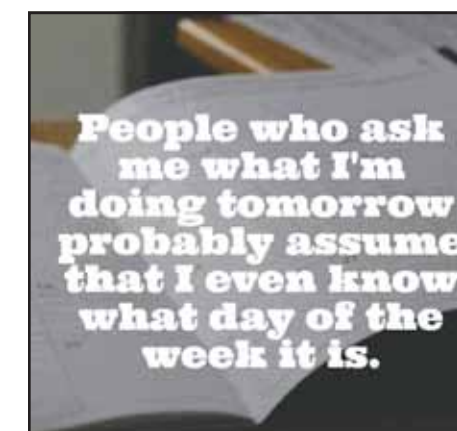

## WOMAN'S REVENGE

'Cash, check or charge?' I asked, after folding items the woman wished to purchase.

As she fumbled for her wallet, I noticed a remote control for a television set in her purse.

'So, do you always carry your TV remote?' I asked.

'No,' she replied, 'but my husband refused to come shopping with me, and I figured this was the most evil thing I could do to him legally.'

When women get to a certain age, they start accumulating cats.

This is known as the many paws.

## Sunday School

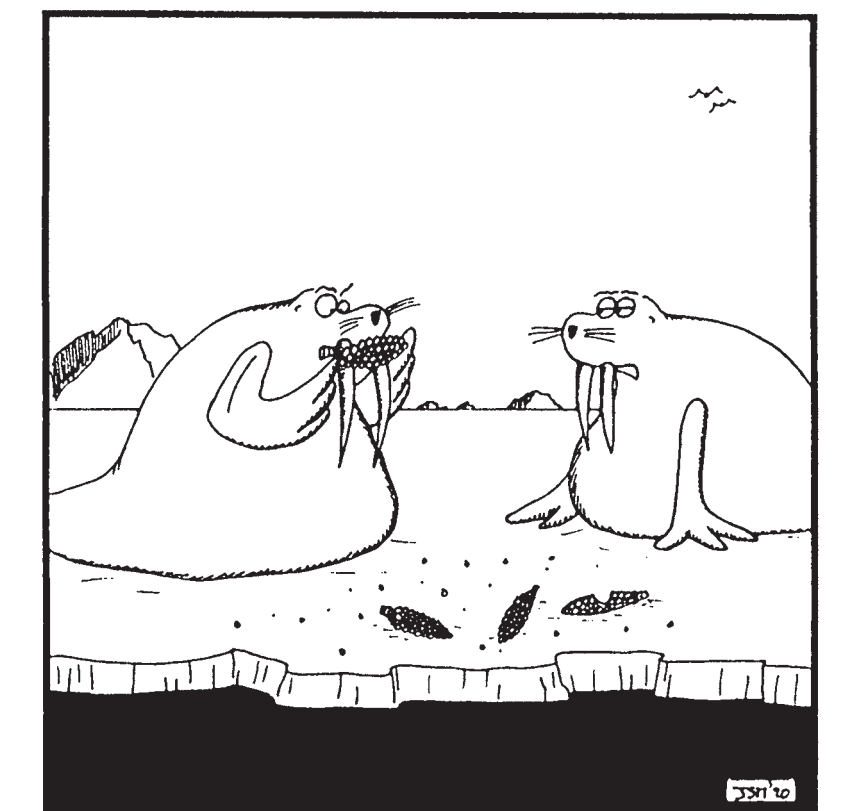

A Sunday school teacher was discussing the Ten Commandments with her 5 and 6 year olds.

After explaining the commandment to 'Honor thy father and thy mother,' she asked, Is there a commandment that teaches us how to treat our brothers and sisters?'

Without missing a beat, one little boy answered, 'Thou shall not kill.'
