OBSERVATIONS

- I read that 4,153,237 people got married last year. Not to sound like an alarmist, but shouldn't that be an even number?
- Today a man knocked on my door and asked for a small donation towards the local swimming pool. I gave him a glass of water.
- I want to die peacefully in my sleep, like my grandfather. Not screaming and yelling like the passengers in his car.
- I find it ironic that the colors red, white, and blue stand for freedom until they are flashing behind you.
- When wearing a bikini, women reveal 90% of their body.. men are so polite they only look at the covered parts.
- A recent study has found that woman who carry a little extra weight, live longer than the men who mention it.
- Relationships are a lot like algebra. Have you ever looked at your X and wondered Y?
- America is a country which produces citizens who will cross the ocean to fight for democracy, but won't cross the street to vote.
- You know that tingly little feeling you get when you like someone? That's your common sense leaving your body.
- Did you know that Dolphins are so smart that within a few weeks of captivity, they can train people to stand on the very edge of the lagoon and throw them fish?
- My therapist says I have a preoccupation with vengeance. We'll see about that!
- I think my neighbor is stalking me as she's been Googling my name on her computer. I saw it through my telescope last night.
- Money talks...but all mine ever says is good-bye.
- You're not fat, you're just... easier to see.
- If you think nobody cares whether you're alive, try missing a couple of payments.
- I always wondered what the job application is like at Hooters. Do they just give you a bra and say, "Here, fill this out?"
- I can't understand why women are okay that JC Penney has an older women's clothing line named, "Sag Harbor."
- My therapist said that my narcissism causes me to misread social situations. I'm pretty sure she was hitting on me.
- My 60-year kindergarten reunion is coming up soon and I'm worried about the 175 pounds I've gained since then.
- Denny's has a slogan, "If it's your birthday, the meal is on us." If you're in Denny's and it's your birthday, your life sucks!
- The pharmacist asked me my birth date again today. I'm pretty sure she's going to get me something.
- The location of your mailbox shows you how far away from your house you can be in a robe before you start looking like a mental patient.
- I think it's pretty cool how Chinese people made a language entirely out of tattoos.
- Money can't buy happiness, but it keeps the kids in touch!
- The reason Mayberry was so peaceful and quiet was because nobody was married. Andy, Aunt Bea, Barney, Floyd, Howard, Goober, Gomer, Sam, Earnest T Bass, Helen, Thelma Lou, Clara and, of course, Opie were all single. The only married person was Otis, and he stayed drunk.
