I'm passing this on because it worked for me today. A doctor on TV said that in order to have inner peace in our lives, we should always finish things that we start. Since we all could use more calm in our lives, I looked around my house to find things I'd started and hadn't finished. I finished a bottle of Merlot, a bottle of Chardonnay, a bottle of Baileys, a bottle of wum, I finished a bottle of Valium, I finished a box of chochlutz. Yu has no idr how fablus I feel rite now. Chair this wif all ur frenz who need inner piss. An telum u luvum.
