How to Dump a Blind Date

Occasionally in life, it's handy to be able to get out of awkward social situations. In such cases, it would help if you know these...

MORE THAN 50 WAYS TO GET RID OF A BLIND DATE (and other social catastrophes)

- At dinner, guard your plate with fork and steak knife, so as to give the impression that you'll stab anyone, including the waiter, who reaches for it.
- Collect the salt shakers from all of the tables in the restaurant, and balance them in a tower on your table.
- Wipe your nose on your date's sleeve. Twice.
- Make funny faces at other patrons, then sneer at their reactions.
- Repeat every third word you say.
- Give your claim to fame as being voted "Most Festerous" for your high school yearbook.
- Read a newspaper or book during the meal. Ignore your date.
- Stare at your date's neck, and grind your teeth audibly.
- Twitch spastically. If asked about it, pretend you don't know what they are talking about.
- Stand up every five minutes, circle your table with your arms outstretched, and make airplane sounds.
- Order a bucket of lard.
- Ask for crayons to color the placemat. This works very well in fancier venues that use linen tablecloths.
- Howl and whistle at women's legs, especially if you're female.
- Recite your dating history. Improvise. Include pets.
- Pull out a harmonica and play blues songs when your date begins talking about themselves.
- Sacrifice French fries to the great deity, Pomme.
- When ordering, inquire whether the restaurant has any live food.
- Without asking, eat off your date's plate. Eat more from their plate than they do.
- Drool.
- Chew with your mouth open, talk with your mouth full and spray crumbs.
- Eat everything on your plate within 30 seconds of it being placed in front of you.
- Excuse yourself to use the restroom. Go back to the head waiter/hostess and ask for another table in a different part of the restaurant. Order another meal. When your date finally finds you, ask him/her "What in the hell took you so long in the restroom?!"
- Feed imaginary friends, or toy dolls you've brought along.
- Ask the people at the neighboring table for food from their plates.
- Ask your date how much money they have with them.
- Order for your date. Order something nasty.
- Beg your date to tattoo your name on their derriere. Keep bringing the subject up.
- Communicate in mime the entire evening.
- Upon entering the restaurant, ask for a seat away from the windows, where you have a good view of all exits, and where you can keep your back to the wall. Act nervous.
- Lick your plate. Offer to lick your date's plate.
- Hum. Loudly. In monotone.
- Fill your pockets with sugar packets, as well as salt and pepper shakers, silverware, floral arrangements... anything on the table that isn't bolted down.
- Hold a debate. Take both sides.
- Undress your date verbally. Use a bullhorn.
- Auction your date off for silverware.
- Slide under the table. Take your plate with you.
- Order a baked potato for a side dish. When the waiter brings your food, hide the potato, wait a few minutes, and ask the waiter for the potato you "never got." When the waiter returns with another potato for you, have the first one back up on the plate. Repeat later in the meal.
- Order beef tongue. Make lewd comparisons or comments.
- Get your date drunk. Talk about their philosophy. Get it on tape, and use editing to twist their words around.
- Discuss boils and lesions, as if from personal experience.
- Speak in pig latin throughout the meal.
- Take a break, and go into the restroom. When you return to the table, throw a spare pair of underwear on the back of one of the chairs. Insist that they just need airing out.
- If they are paying, order the most expensive thing on the menu. Take one bite.
- Bring 20 or so candles you, and during the meal get up and arrange them around the table in a circle. Chant.
- Save the bones from your meal, and explain that you're taking them to your invalid, senile mother, because it's a cheaper than feeding her.
- Order your food by colors and textures. Sculpt.
- Take a thermos along, and hide it under the table. Order coffee, and fill the thermos one cup at a time, taking advantage of the free refills.
- Accuse your date of espionage.
- Make odd allusions to dangerous religious cults.
- Break wind loudly. Add color commentary. Bow.

ON THE MAP

WE TAKE OUR KIDS WITH US TO A ROMANTIC RESTAURANT ON VALENTINE'S DAY AS A BIRTH CONTROL REMINDER TO THE OTHER COUPLES.

If I worked in a restaurant, I would put a fake engagement ring in every woman's glass on Valentine's Day.

I've just watched a documentary on marijuana. I think all documentaries should be watched this way.

Every year, in the middle of February something wonderful and heartwarming happens. Tons of candy goes on clearance!

HAPPY SINGLES AWARENESS DAY

Whenever someone invites me to their home and I see more than 3 cars parked outside, I keep driving, just in case it's an intervention.

If I'm talking to myself, no need to worry. I'm self employed, so I'm having a staff meeting.
