Have a laugh everybody...

Leo, Boris, Trump, Pope Francis & Mary (a ten year old Keys girl) were on a flight with just 4 parachutes. As the plane went down, they were short one parachute.

They agreed Leo should go first when he said "I need to sort out the coronavirus in Ireland, I need one," and off he went.

Boris was next and said "I'm the smartest man in England, I simply cannot die, I have to survive," and out he jumped with a parachute.

Next was Trump and he said "I need to keep America great and sort out this economy," and out he jumped.

One parachute left, Pope Francis said, "Little Mary you take it, I have lived a good life, but you are young with your whole life ahead of you... take it."

Mary replied, "It's ok Pope Francis, there are two parachutes left. The smartest man in England took my school bag."

**A FARMER PULLS A PRANK ON EASTER SUNDAY. AFTER THE EGG HUNT, HE SNEAKS INTO THE CHICKEN COOP AND REPLACES EVERY EGG WITH A BRIGHTLY COLORED ONE. MINUTES LATER, THE ROOSTER WALKS IN. HE SPOTS THE COLORED EGGS, THEN STORMS OUT AND BEATS UP THE PEACOCK.**

"Ask not what staying home on the couch can do for you, but what staying home on the couch can do for your country."

At our age, we can hide our own Easter Eggs, wait half an hour, and have no clue where we left them.

**Dear America,  
Welcome to hurricane shopping.  
Don't forget your can opener.  
Love,  
Florida**

So when does the next virus update come out? As a Floridian I only know how to handle these things when there are updates every 4 hours that show a cone of uncertainty, I NEED A CONE.

**THE DEVIL WENT DOWN TO WALMART. HE WAS LOOKING FOR A ROLL TO STEAL. HE WAS IN A BIND, CLENCHING HIS BEHIND, HE WAS WILLING TO MAKE A DEAL.**

A man and his ever-nagging wife were on vacation in Jerusalem. While they were there, the wife passed away. The undertaker told the husband, "You can have her shipped home for \$5,000, or you can bury her here, in the Holy Land, for \$150." The man thought about it and told him he would have her shipped home. The undertaker asked, "Why would you spend \$5,000 to ship your wife home, when it would be wonderful to be buried here and you would spend only \$150?"

The man replied, "Long ago a man died here, was buried here, and three days later he rose from the dead. I just can't take that chance."

**A CLASSY WAY TO CALL SOMEONE A BASTARD**

A guy was getting ready to tee off on the first hole when a second golfer approached and asked if he could join him. The first said that he usually played alone, but agreed to the two-some.

They were even after the first few holes. The second guy said, "We're about evenly matched, how about playing for five bucks a hole?" The first guy said that he wasn't much for betting, but agreed to the terms.

The second guy won the remaining sixteen holes with ease. As they were walking off number eighteen, the second guy was busy counting his \$80. He confessed that he was the pro at the neighboring course and liked to pick on suckers.

The first fellow revealed that he was the parish Priest.

The pro was flustered and apologetic, offering to return the money. The Priest said, "You won fair and square and I was foolish to bet with you. You keep your winnings."

The pro said, "Is there anything I can do to make it up to you?"

The Priest said, "Well, you could come to Mass on Sunday and make a donation. And, if you want to, bring your mother and father along, I'll marry them."

Waiting for new Aussie slang to be born in the next few months.

Early guesses:  
Sanny - hand sanitizer  
In iso - self isolation / lockdown  
The Rona - self explanatory  
Magpie - supermarket hoarder

In a sentence:  
Me boss tested pozzi for the rona so now I'm in iso. Popped down to Woolies for some sanny but it's been bloody magpie'd.

As we prepare to go to press in late March, our cartoonist Rodney Nelson is ill. Our best wishes to Rodney for a speedy recovery, and we hope to see his take on the funny side of life soon!

**ABOUT THE CARTOONIST, RODNEY NELSON:** After coming to the Keys many times, he moved here in 1969 at age 11. He tried different jobs before becoming a full-time artist in his late twenties. He enjoys the versatility it requires to survive as an artist in such a small community, and does airbrushing to glass etching; cartoons to fine art.

**My lifestyle is finally in sync.**  
I used to be considered a grumpy old loner.  
Now I am practicing social distancing.
