ACCORDING TO OUR SIGNS:

WHY WE LOVE WEARING MASKS

ARIES: can rip it off dramatically to emphasize rage
TAURUS: n/a since they don't really leave their house
GEMINI: appreciates that it's also a political act at this point
CANCER: literally just wants to protect people's health, duh
LEO: any excuse to shop for new accessories is a good thing
VIRGO: it's the sensible thing to do, covidiot
LIBRA: matching them to their outfits is an exciting hobby
SCORPIO: makes people less likely to recognize them in public
SAGITTARIUS: has to die from something much cooler than covid
CAPRICORN: partially hides the resting bitch face
AQUARIUS: feels futuristic; might keep wearing post-pandemic
PISCES: enjoys the thought of being mildly asphyxiated
