

GARDEN CLUB OF THE UPPER KEYS MONTHLY MEETING
THE IMPORTANCE OF HONEYBEES
 Tuesday Feb. 18, 6:30 pm
 at Francis Tracy Garden Center 94040 Overseas Hwy. (MM 94 bayside)
Guest Speaker: John David, Founder of Keez Beez
 He will focus on the role of honeybees as major pollinators, their history, their effects on our environment, and what goes on inside a bee hive on a daily basis.
Our meetings, workshops and special events provide education and information on the fun of gardening in the Keys. Come grow with us! All are welcome.

HISTORY LESSON
 The Buffalo Bills barely lost a game in 1970 by missing on a bad pass for a touchdown. The loss allowed them to get the first pick in the draft, where they took O.J. Simpson.
 O.J. lived in Buffalo where he met his wife Nicole. Later, in L.A., he allegedly killed her. He then hired Robert Kardashian to be his lawyer, and they won the case, making the Kardashian family somewhat famous. Then Kim drops the sex tape and becomes really famous.

So basically the 1970 Buffalo Bills are the reason we have to deal with the Kardashians today. If they would have won that one game, they wouldn't have had the pick to get O.J., so he would have never met Nicole, and thus never had the chance to kill her, preventing the entire Kardashian family from ever being even a sliver of a subject in modern culture.
 Damn you Buffalo Bills.
 Damn you.

How I'm Protecting My Keys Home in 2020

Took down our Rebel flag and peeled the NRA sticker off the front door. We've disconnected our home alarm system and quit our candy-ass Neighborhood Watch.
 Bought two Pakistani flags on eBay and raised them in

the front yard, one at each corner, plus a black flag of ISIS in the center. Now, the local police, sheriff, FBI, CIA, NSA, Homeland Security, Secret Service and other agencies are all watching the house 24/7. I've never felt safer and we're saving \$49.95 a month.

Spotlight on Entertainer of the Month: Bob Bunz

by Marilee Free

Long-time local karaoke legend Bob Bunz with his band the Funkin' Soul Rock Revue can be seen wowing the crowds at various fundraisers and events. The Revue consists of Arno Lamb ripping lead guitar, Jon Henderson playing rhythm guitar, Dale Henderson thumbs the Bass, Pete Baldwin serenading on sax and keys, and Angel banging on the drums. Bob always sparkles and shines with glittery outfits and shoes that light up. His amazing voice and Motown style gets the crowds up and dancing with high

energy. His band recently performed at the Ralphie Smith Bra Walk Strides Against Cancer event at the Caribbean Club. He

does special events, private parties and charity functions often with the 'FSR Revue.' To book an event call 305-664-1030.

You can catch Bob doing his Karaoke show at the Elks Lodge in Tavernier one Friday every month. "There is nothing more exhilarating than the feeling I get from the crowds, when the energy I give performing comes back." Bob has a magic ability to make people move and groove, and he loves it.

Bob's older brother John was his biggest motivation to sing growing up.

John was a self-taught musical prodigy, he had an amazing voice and could play any instrument he picked up. Not to be overshadowed by his big brother, Bob started singing at age 12 with the church men's groups. He was mentored by two friends, Ruben and Randy, when they realized his talented abilities and ease of range from baritone to falsetto.

When I first met Bob in 1996, we were both karaoke hosts at Woody's in the pre-strip club days. We were competing in a contest for Aretha Franklin concert tickets and a limo ride to the show. Bob showed up dressed as Aretha and sang 'Never Loved a Man' and brought the house down. Needless to say, I didn't win that contest! That left a lasting impression and started our 20+ year friendship.

Bob moved to the Keys from Philadelphia in 1992, shortly after Hurricane Andrew had blown through. As he was driving through the devastation, he remembers thinking, "What did I get myself into?" But it all worked out well. He first worked as Head Baker at Ocean Reef, then for the

bakery at Publix in Key Largo and Key West.

His dream of owning a restaurant came true soon after that, when he took over the Islamorada Restaurant and Bakery, which is now called Bob's Bunz.

With his culinary degrees and apprenticeships from Longwood Gardens and Hotel on Top of Bellevue in Philadelphia, he was on his way to creating artistic delights that satisfy every palate.

Bob's Bunz Restaurant and Bakery is open 7 days a week from 6am - 2pm for breakfast and lunch, serving home-style comfort food that combines the Keys with Philly flare. In the bakery, he decorates amazing wedding cakes and makes mouth-watering home-made pastries. His most famous creations are his cinnamon and sticky buns.
