

# Coco'Nut' Funnies

My wife yelled from upstairs and asked, "Do you ever get a shooting pain across your body, like someone's got a voodoo doll of you and they're stabbing it?" Sounding concerned, I replied, "No..." She responded, "How about now?"

**Q: If 2020 was a drink, what would it be?**  
**A: Colonoscopy prep**

Person #1: Hey, want to go with me to the DMV then swing by jury duty and a first grade concert?  
Person #2: Hell yeah I do!!

Ripping off your mask when you get back in the car is the new taking off your bra when you get home

Went to Publix tonight and y'all should've seen all the commotion. Aunt Jemima, Mrs. Butterworth, and Uncle Ben were protesting, Texas Pete and Capt. Morgan were getting drunk, Little Debbie was working the corner, and Jimmy Dean was showing everybody his sausage. The world has gone crazy.

Dear July,  
I don't want any trouble from you. Just come in, sit down, don't touch anything, and keep your mouth shut.

After seeing half a country actively reject wearing a mask during a pandemic, I would like to apologize to the filmmakers of every horror movie ever made for calling their characters unbelievably dumb for going into the murder basement.

**Got up this morning and ran around the block 5 times. Then I got tired, so I picked up the block and put it back in the toy box.**

**Has Covid-19 forced you to wear glasses & a mask at the same time? You may be entitled to condensation.**

We're gonna have to retire the expression "avoid it like the plague," because it turns out, we humans do not do that.

A monkey is smoking a joint  
A monkey is sitting in a tree, smoking a joint, when a lizard walks past. The lizard looks up and says "Hey! what are you doing?" The monkey says "Smoking a joint, come up and join me"

So the lizard climbs up and sits next to the monkey and they have another joint. After a while the lizard says his mouth is 'dry', and that he's going to get a drink from the river.

At the riverbank, the lizard is so stoned that he leans too far over and falls in. A Crocodile sees this and swims over to the stoned lizard, helping him to the side.

He then asks the lizard, "What's the matter with you?!" The lizard explains to the crocodile that he was sitting in the tree, smoking a joint with the monkey and his mouth got dry, and that he was so wasted that, when he went to get a drink from the river, he fell in!

The inquisitive crocodile says he has to check this out. He walks into the jungle and finds the tree where the monkey is sitting, finishing a joint.

He looks up and says "Hey, monkey!"

The Monkey looks down and says " duuude .... How much water did you drink?!!!"

**I work out almost every day!**  
**I almost worked out Monday, I almost worked out Tuesday...**

**If you have ever baited a hook, rinsed your hands in the water and popped a beer, fired up a joint, then ate a sandwich, you're immune to the 'rona!**

Having some states lock down and some states not lock down is like having a peeing section in a swimming pool.

I was in the McDonald's drive-through this morning and the young lady behind me leaned on her horn because I was taking too long to place my order.

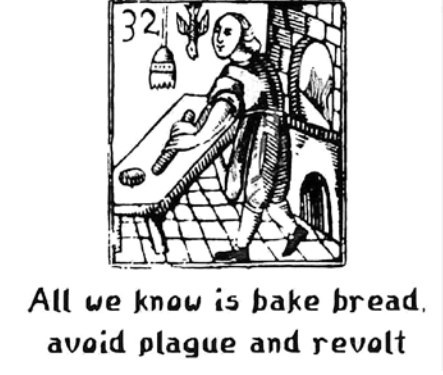

"Take the high road," I thought to myself. So when I got to the first window I paid for her order along with my own. The cashier must have told her what I'd done because as we moved up she leaned out her window and waved to me and mouthed "Thank you," obviously embarrassed that I had repaid her rudeness with kindness.

When I got to the second window I showed them both receipts and took her food too. Now she has to go back to the end of the line to start all over.

Don't honk your horn at old people.

**SOME OF Y'ALL GOT SPAGHETTI SAUCE STUCK IN YOUR MICROWAVE SINCE 1996 AND YOU'RE IN A STORE ACTING LIKE A FOOL OVER LYSOL**

My face mask hides my resting bitch face and unfortunately now people think I'm approachable.

**After watching how some people wear their masks, I understand why contraception fails.**

**Under the current guidelines your milkshake is only permitted to bring 9 boys to the yard, max.**

What's the difference between a kleptomaniac and a literalist?  
The literalist takes things literally. The kleptomaniac takes things, literally.

One day Doug didn't show up at the park. Bob didn't think much about it and figured maybe he had a cold or something.

But after Doug hadn't shown up for a week or so, Bob really got worried. However, since the only time they ever got together was at the park, Bob didn't know where Doug lived, so he was unable to find out what had happened to him.

A month had passed, and Bob figured he had seen the last of Doug, but one day, Bob approached the park and -- lo and behold -- there sat Doug!

Bob was very excited and happy to see him and told him so. Then he said, 'For crying out loud Doug, what in the world happened to you?'

Doug replied, 'I have been in jail!'

'Jail!' cried Bob. What in the world for?'

'Well,' Doug said, 'you know Jane, that cute little blonde waitress at the coffee shop where I sometimes go?'

'Yeah,' said Bob, 'I remember her. What about her?'

'Well, one day she filed rape charges against me; and, at 89 years old, I was so proud that when I got into court, I pleaded 'guilty'.

'The damn judge gave me 30 days for perjury.'
