

Coco'Nut' Funnies

Towards the end of a round of golf, Dave hit his ball into the woods and found it in a patch of pretty, yellow buttercups.

Trying to get his ball back into play, he ended up thrashing just about every buttercup in the patch. All of a sudden, POOF!! In a flash and a puff of smoke, a little old woman appeared.

She said, 'I'm Mother Nature! Do you know how long it took me to make those buttercups? Just for doing what you have done, you won't have any butter for your popcorn for the rest of your life... better still, you won't have any butter for your toast for the rest of your life... as a matter of fact, you'll never have any butter for anything for the rest of your life!!!'

Then POOF! ... she was gone!

After Dave recovered from the shock, he hollered for his friend, 'Fred, where are you?'

Fred yells back 'I'm over here in the pussy willows.'

Dave shouts back, 'DON'T SWING, Fred!' 'FOR THE LOVE OF GOD, DON'T SWING!!!!'

Just been for my annual check up with my GP who suggested I need an earring made.
What a strange thing to say..

really bummed that soon i will have to stop cancelling plans "due to covid" and start canceling plans with my usual bag of petty lies

In 20 years when kids ask about the 2020 toilet paper shortage, I'm telling them we had to drag our butts across the coral rock. In the sand. Uphill. Both ways. Dodging Zika mosquitos.

Eleven people were hanging on a rope under a helicopter, ten men and one woman. The rope was not strong enough to carry them all, so they decided that one had to leave, because otherwise they were all going to fall. They weren't able to name that person, until the woman gave a very touching speech.

She said that she would voluntarily let go of the rope, because, as a woman, she was used to giving up everything for her husband and kids or for men in general, and was used to always making sacrifices with little in return. As soon as she finished her speech, all the men started clapping.

The best thing about the good old days was that I wasn't good and I wasn't old

Common sense
(n.) Not a gift, but a punishment because you have to deal with everyone who doesn't have it.

A teenage boy had just passed his driving test and inquired of his

father as to when they could discuss his use of the car.

His father said he'd make a deal with his son, "You bring your grades

up from a C to a B average, study your Bible a little, and get your haircut. Then we'll talk about the car."

The boy thought about that for a moment, decided he'd settle for the offer, and they agreed on it.

After about six weeks his father said, "Son, you've brought your grades up and I've observed that you have been studying your Bible, but I'm disappointed you haven't had your hair cut.

"The boy said, "You know, Dad, I've been thinking about that, and I've noticed in my studies of the Bible that Samson had long hair, John the Baptist had long hair, Moses had long hair, and there's even strong evidence that Jesus had long hair."

Dad's reply: "Did you also notice they all walked everywhere they went?"

The Department of the Navy is now assigning females to quarters in a separate private "OFF LIMITS" area on all aircraft carriers.

While addressing all personnel at Pearl Harbor, CINCPAC advised, "Female sleeping quarters will be out of bounds for all males.

"Anyone caught breaking this rule will be fined \$50 the first time," the Admiral continued. "Anyone caught breaking this rule the second time will be fined \$150. Being caught a third time will cost you \$500."

Are there any questions?"

At this point, a Marine from the security detail assigned to the ship stood up and inquired, "How much for a season pass?"

For those who don't want Alexa listening in on your conversations, they're making a male version.....it doesn't listen to anything.

Even if you're fully vaccinated, the CDC still recommends that your stay at home with your dog so they're not sad when you leave

I miss the part of Covid when there was no traffic.

Rage Against the Machine never specified what type of machine they were furious with but I reckon it was probably a printer.

One day my mother was out and my dad was in charge of me. I was maybe 3 years old and had just recovered from an accident.

Someone had given me a little tea set as a get-well gift and it was one of my favorite toys. Daddy was in the living room engrossed in the evening news when I brought him a little cup of 'tea', which was just water.

After several cups of tea and lots of praise for such yummy tea, my Mom came home.

My Dad made her wait in the living room to watch me bring him a cup of tea, because it was 'just the cutest thing!'

My Mom waited, and sure enough, I walked down the hall with a cup of tea for Daddy and she watched him drink it up.

Then she says, (as only a mother would know...) 'Did it ever occur to you that the only place that your daughter can reach to get water is the toilet?'

Husband: I want you to have this bracelet. It belonged to my Grandmother.
Wife: Why does it say "Do Not Resuscitate"?

Q: My child will not eat fish. What can I replace it with?

A: A cat. Cats love fish.

An 80-year-old man went to the doctor for a check-up and the doctor was amazed at what good shape the guy was in. The doctor asked, "To what do you attribute your good health?"

The old timer said, "I'm a biker and that's why I'm in such good shape. I'm up well before daylight on Sundays and out sliding around corners, "shootin" sand washes and riding up and down the steepest, wildest mountains I can find at the crack of dawn."

The doctor said, "Well, I'm sure that helps, but there's got to be more to it. How old was your dad when he died?" The old biker said, "Who said my dad's dead?"

The doctor said, "You mean you're 80 years old and your dad's still alive? How old is he?"

The old biker said, "He's 99 years old and, in fact, he went riding with me this Sunday, and that's why he's still alive... he's a biker too."

The doctor said, "Well, that's great, but I'm sure there's more to it. How about your dad's dad? How old was he when he died?"

The old biker said, "Who said my grandpa's dead?"

The doctor said, "You mean you're 80 years old and your grandfather's still living! How old is he?"

The old biker replied, "117 years old."

The doctor was getting frustrated at this point and said, "I guess he went riding with you this Sunday too?"

The old timer said, "No... Grandpa couldn't go this week because he got married."

The Doctor said in amazement, "Got married!! Good Lord!!! Why would a 117-year-old guy want to get married?"

To this old biker smiled and answered, "Who said he wanted to?"

"Mikey, can you stop screaming and let us have a good time? It's not our fault you forgot your parachute."
