A couple, both age 78, went to a sex therapist's office. The doctor asked, "What can I do for you?" The man said, "Will you watch us have sex?"

The doctor looked puzzled, but agreed. When the couple finished, the doctor said, "There's nothing wrong with the way you have sex," and charged them \$50.

This happened several weeks in a row. The couple would make an appointment, have sex with no problems, pay the doctor, then leave.

Finally, the doctor asked, "Just exactly what are you trying to find out?"

"We're not trying to find out anything," the husband replied.

"She's married and we can't go to her house. I'm married and we can't go to my house. The Holiday Inn charges \$90. The Hilton charges \$108. We do it here for \$50 ... and I get \$43 back from Medicare."

I was in the six item express lane at the store quietly fuming.

Completely ignoring the sign, the woman ahead of me had slipped into the check-out line pushing a cart piled high with groceries.

Imagine my delight when the cashier beckoned the woman to come forward looked into the cart and asked sweetly,

"So which six items would you like to buy? Made my day!"

My bank called because they noticed 'highly suspicious activity' on my charge account. It was for a gym membership.

Bob ran out of gas, and a bee flew in his car window. 'Are you out of gas?' said the bee. 'Yes' said Bob.

'Gimme a minute' said the bee, and flew away.

Minutes later the bee returned with the entire hive of bees who all flew into his petrol tank. Moments later they emerged.

'Try it now' said a passing bee. Bob tried and the car started.

Bob said 'Wow, what did you put in the tank?'

'BP'

**Darn autocorrect. Now the wife thinks I'm going fisting with the guys this weekend**

John was in an accident and his face was badly burned. The doctors couldn't reconstruct his face with John's own skin because he was so skinny. But his wife said they could use hers. The doctor decided that the best skin to be used was from her butt. So they took her skin and reconstructed John's face.

After the surgery he looked better than ever. His entire family was amazed, but none of them ever learned where the skin came from; they assumed it was his own.

One night John is overcome with emotion so he begins to cry and tells his wife "I love you so much. I'm so grateful for your sacrifice."

She shrugs and says "Honey, all of the thanks I need comes when your mother kisses you on the cheek."

Two Irishmen looking through a mall order catalogue.

Paddy says "Look at these gorgeous women! The prices are reasonable too.\*"

Mick agrees "I'm ordering one right now."

Three weeks later Paddy says to Mick "Has your woman turned up yet?"

"No" said Mick "but It shouldn't be long now though. Her clothes justb arrived yesterdayll"

I took down my Confederate States flag (which you can't buy on eBay any more) and peeled the NRA sticker off my front window. I disconnected my home alarm system and quit the candy-ass Neighborhood Watch. I bought two Pakistani flags and put one at each corner of the front yard. Then I purchased the black flag of ISIS (which you CAN buy on eBay) and ran it up the flagpole.

Now the local police, Sheriff, FBI, CIA, NSA, Homeland Security, Secret Service and other agencies are all watching my house 24/7. I've NEVER felt safer and I'm saving \$69.95 a month that ADT used to charge me.

Plus, I bought burkas to wear when I shop or travel. Everyone moves out of the way and security can't pat me down. If they say I'm a male wearing a burka, I just say I'm feeling like a woman today.

Hot damn...safe at last!

My 5 yr old keeps telling people "we're in a panDAMNIt", and now I'm convinced we're the ones saying it wrong.

A man walks up to the bar with an ostrich behind him, and as he sits, the bartender comes over, and asks for his order. The man says, "I'll have a beer," and turns to the ostrich. "What about you?"

"I'll have a beer too," says the ostrich. The bartender pours the beer and says "That will be \$3.40 please," and the man reaches into his pocket and pulls out exact change for payment.

The next day, the man and ostrich come again, and the man says "I'll have a beer," and the ostrich says, "I'll have the same." Once again the man reaches into his pocket and pays with exact change.

This becomes a routine until, late one evening, the two enter again. "The usual?" asks the bartender. "Well, it's close to last call, so I'll have a large scotch" says the man. "Same for me," says the ostrich.

"That will be \$7.20," says the bartender. Once again the man pulls exact change out of his pocket and places it on the bar. The bartender can't hold back his curiosity any longer. "Excuse me sir. How do you manage to always come up with the exact change out of your pocket every time?"

"Well," says the man, "several years ago I was cleaning the attic and found an old lamp. When I rubbed it a Genie appeared and offered me two wishes. My first wish was that if I ever had to pay for anything, I just put my hand in my pocket, and the right amount of money will always be there."

"That's brilliant!" says the bartender. "Most people would wish for a million dollars or something, but you'll always be as rich as you want for as long as you live!"

"That's right! Whether it's a gallon of milk or a Rolls Royce, the exact money is always there," says the man.

The bartender asks, "One other thing, sir, what's with the ostrich?"

The man replies "My second wish was for a chick with long legs."
