A Baptist pastor presenting a children's sermon asked if they knew what the resurrection was. Asking questions during children's sermons is crucial. Asking children questions in front of a congregation can also be very dangerous. After the pastor asked the children if they knew the meaning of the resurrection, a little boy raised his hand. The pastor called on him and the little boy said, "I know that if you have a resurrection that lasts more than four hours you are supposed to call the doctor."

I saw a six-foot bunny at the mall yesterday. Either it's almost Easter, or my doc screwed up my meds again.

Me: Bathroom is cleaned.  
Wife: Thank you.  
Me: Why do we keep the toilet brush in the shower?  
Wife: What?  
Me: Why is the toilet brush in the shower?  
Wife: What the hell are you talking about?  
Me: The puffy thing with the handle.  
Wife: MY LOOFAH!?!  
Me: You named the toilet brush?

A man decided that he was going to ride a 10-speed bike from Phoenix to Flagstaff. He got as far as Black Canyon City before the mountains just became too much and he could go no farther.

He stuck his thumb out, but after 3 hours hadn't gotten a single person to stop. Finally, a guy in a Corvette pulled over and offered him a ride. Of course, the bike wouldn't fit in the car. The owner of the Corvette found a piece of rope lying by the highway and tied it to his bumper. He tied the other end to the bike and told the man that if he was going too fast, to honk the horn on his bike and that he would slow down.

Everything went fine for the first 30 miles. Suddenly, another Corvette blew past them. Not to be outdone, the Corvette pulling the bike took off after the other. A short distance down the road, the Corvettes, both going well over 120 mph, blew through a speed trap.

The police officer noted the speeds from his radar gun and radioed to the other officer that he had two Corvettes headed his way at over 120 mph. He then relayed, "...and you're not going to believe this, but there's a guy on a 10-speed bike honking to pass!"

Two Florida alligators are sitting on the edge of a golf course. The small one turns to the big one and says, "I don't understand how you can be so much bigger than me. We're the same age, we were the same size as kids ... I just don't get it."

"Well," says the big alligator, "what have you been eating?"  
"Lawyers, same as you," replies the small alligator.  
"Hm... Well, where do you catch 'em?"  
"Down at that law firm on the edge of the canal."  
"Same here. Hm... How do you catch 'em?"  
"Well, I crawl under a BMW and wait for someone to unlock the door. Then I jump out, bite 'em, shake the crap out of 'em, and eat 'em!"  
"Ah!" says the big alligator, "I think I see your problem. See, by the time you get done shakin' the crap out of a lawyer, there's nothing left but lips and a briefcase..."

A 6 year old and a 4 year old are raking the yard.  
The 6 year old asks, "You know what? I think it's about time we started learning to cuss." The 4 year old nods his head in approval.  
The 6 year old continues, "When we go in for breakfast, I'm gonna say something with hell and you say something with ass."

The 4 year old agrees with enthusiasm.  
When the mother walks into the kitchen and asks the 6 year old what he wants for breakfast, he replies, "Aw, hell, Mom, I guess I'll have some Cheerios."

**WHACK!**  
He flies out of his chair, tumbles across the kitchen floor, gets up, and runs upstairs crying his eyes out, with his mother in hot pursuit, slapping his rear with every step.

His mom locks him in his room and shouts, "You can stay there until I let you out!"

She then comes back downstairs, looks at the 4 year old and asks with a stern voice, "And what do YOU want for breakfast, young man?"

"I don't know," he blubbers, "but you can bet your fat ass it won't be Cheerios!"

A man gets into a big argument with his wife so he decides to head up to the local bar and have a drink or two while she cools off. He runs into a few friends and they start celebrating and talking about the good ol' days. Several hours quickly pass and he decides its getting late and he better start heading home.

He goes to get off the bar stool to leave and falls flat on his face. He makes several attempts to get up but can't seem to get on his feet. He thinks to himself that he must've really over done it this time to be so drunk he cant even stand. He looks around and luckily no one has noticed his drunken display so he crawls out of the bar where he still cant seem to pull himself together He figures the hell with it, its only a few blocks to his house so he just crawls home and gently slides into bed as not to disturb his sleeping wife.

**I'm glad I learned about parallelograms in high school math instead of how to do my taxes. It comes in so handy during parallelogram season.**

The next morning he awakes with this feeling of piercing eyes upon him when he notices his wife standing at the foot of the bed with her arms crossed and obviously upset. He mutters out a "Good morning, honey" to which she angrily replies "You were out at the bar all night getting drunk, weren't you?"

He quickly rolls over and begins to plead with her, "Of course not honey, I wouldn't do that. I was here in bed with you most of night. Why in the world would you say that?"  
She rolls her eyes and replies, "Because the bar called, you forgot your wheelchair again!!!"
