**Editorial - Free Help Wanted Ads!**

We at the Coconut Telegraph are always looking for ways to help and promote our advertisers.

Ever since the beginning of Covid mass hysteria occurred and the masses collected unemployment and stimulus it has been harder to find qualified employees than it was finding a roll of toilet paper. The Keys Disease hit an all-time record high. Desperate employers have had no choice but to take up the slack and continue to be overworked and stressed out. Just about the time you think you can take a break someone calls in sick and you're back at it. It's a vicious circle of hiring and training hoping that the theory of "If you throw enough crap against the wall some of it has to stick," is true.

Believe it or not I've had to bite my tongue. At a local restaurant my hot food was served without utensils, napkins, and I never did get the

coleslaw and the beer was warm. At a local chain store with 2 cashiers but only one 400 lb. guy actually working. Neither one able to speak or comprehend the English language. But thank God they showed up or the store would be closed.

One local pharmacy and the grocery store customer service had to close due to no help. It sucks royally!

So we are giving away FREE Help Wanted ads to our loyal advertisers that consistently run a 1/4 page or more. We are fitting it in our business card section where the rate is regularly \$30 a month (4 month minimum) and now you can get it in color for an extra \$20 per month (\$50 for color). This is a monthly rate.

Yes, weekly newspapers sell classified ads too but you have to buy 4.3 to equal one of ours. Interested? Text me at 305-304-2837 and we'll call you.

**Why God Made Moms!**

Answers given by second grade school children to the following questions:

Why did God make mothers?

1. She's the only one who knows where the scotch tape is.
2. Mostly to clean the house.
3. To help us out of there when we were getting born.

How did God make mothers?

1. He used dirt, just like for the rest of us.
2. Magic plus super powers and a lot of stirring.
3. God made my mom just the same like he made me. He just used bigger parts.

What ingredients are mothers made of?

1. God makes mothers out of clouds and angel hair and everything nice in the world and one dab of mean.
2. They had to get their start from men's bones. Then they mostly use string, I think.

Why did God give you your mother and not some other mom?

1. We're related..
2. God knew she likes me a lot

more than other people's moms like me.

What kind of a little girl was your mom?

1. My mom has always been my mom and none of that other stuff.
2. I don't know because I wasn't there, but my guess would be pretty bossy.
3. They say she used to be nice.

What did mom need to know about dad before she married him?

1. His last name.
2. She had to know his background. Like is he a crook? Does he get drunk on beer?
3. Does he make at least \$800 a year? Did he say NO to drugs and YES to chores?

Why did your mom marry your dad?

1. My dad makes the best spaghetti in the world. And my mom eats a lot.
2. She got too old to do anything else with him.
3. My grandma says that mom

didn't have her thinking cap on.

Who's the boss at your house?

1. Mom doesn't want to be boss, but she has to because dad's such a goof ball.
2. I guess mom is, but only because she has a lot more to do than dad.

What's the difference between moms and dads?

1. Moms work at work and work at home and dads just go to work at work.
2. Moms know how to talk to teachers without scaring them.
3. Dads are taller and stronger, but moms have all the real power cause that's who you got to ask if you want to sleep over at your friend's house.
4. Moms have magic, they make you feel better without medicine.

What does your mom do in her spare time?

1. Mothers don't do spare time.
2. To hear her tell it, she pays bills all day long.

What would it take to make your mom perfect?

1. On the inside she's already perfect. Outside, I think some kind of plastic surgery.
2. Diet. You know, her hair. I'd diet, maybe blue.

If you could change one thing about your mom, what would it be?

1. I'd make my mom smarter. Then she would know it was my sister who did it not me.
2. I would like for her to get rid of those invisible eyes on the back of her head.
