### WIFE WANTED

**Be My Starter Wife?** I just realized something... I'm about to miss the chance to have a "Starter Marriage" with my "Starter Wife." A starter marriage is one that lasts for five years or less, and ends before children begin (I'm thinking one to three years will be enough.) Being that I would like to eventually get married (for real) and have children I really need to get the ball rolling on this. So maybe we haven't exactly met yet but that's no reason we shouldn't get married. 305-555-Start

Most people could care less that people say irregardless. This misuse should of been nipped in the butt long ago. Maybe they are just escape goats for the broader problems of the decline of education, but even though I have been biting my time here, cringing at the next foe par while they get off scotch free, it's truly a mute point these days. Face it: it's a doggie dog world. I think I'll just go curl up in a feeble position. Ex cetera, ex cetera, ex cetera...

Why don't they just make the Tupperware spaghetti colored right there at the factory?

Remember when we cried as kids and our parents said "I'll give you something to cry about." We thought they were going to hit us but instead they destroyed the housing market, quadrupled college tuition, and melted the ice caps.
