Our guests say it best!
Here's one of our guest reviews:

I read the glowing reviews before booking our trip. To cut to the chase: the high marks are well-earned. Captain Kenny and Monica craft a brilliantly fun time. My husband, brother and sister-in-law did a two-day cruise and could not stop smiling and grinning.

Kenny and Monica made us feel so at home. The meals were perfect; attractively presented and very tasty. The water activities and cruising the coast were massive fun.

All of this you will read in other reviews, so I'll state a few cool things that you might not get from the other reviews. They really pay attention to what YOU like and adjust accordingly. For example, Monica tweaked the original menu to adapt to some quirks with our Midwestern palates.

They could tell we really enjoyed the paddleboarding so they snuck in another excursion the morning we were to depart. And the evenings—oh my. We had background music playing all day. Somehow that morphed into a challenge game of "Name that Tune", then dancing and singing. So, Cap'n Kenny also deserves the title of DJ Kenny. All in all, this was a SPECTACULAR trip. I really hope to do it again sometime.
