## Why I Mow My Own Lawn...

One day, shortly after joining the PGA tour in 1965, Lee Trevino, a professional golfer and married man, was at his home in Dallas, Texas mowing his front lawn, as he always did.

A lady driving by in a big, shiny Cadillac stopped in front of his house, lowered the window and asked, "Excuse me, do you speak English?"

Lee responded, "Yes Ma'am, I do."

The lady then asked, "What do you charge to do yard work?"

Lee said, "Well, the lady in this house lets me sleep with her."

The lady hurriedly put the car into gear and sped off.

If you think about the vastness of space, & how enormous our galaxy is, & how big our planet is, & how small we are, I'm not really eating all that much cheese.

Pesky neighbors always wanting to swim in your pool?

Not a problem when you have a genuine giant Palmetto Bug float.

## FAVORITE NURSERY RHYME?

Before we work on Artificial Intelligence...

Why don't we do something about Natural Stupidity?

I keep hearing it takes a village to raise a child. Do they just show up, or is there a number to call?

"How do you sleep at night knowing people don't like you?"

With no underwear in case they want to kiss my ass.

I haven't talked to my sons for a few days so I changed the Hulu, Netflix and Amazon passwords. I heard from all 3 of them within 20 minutes.

Do you think, in a pinch, Jim Henson ever used Kermit as an oven mitt?

I don't care what people think of me. At least mosquitos find me attractive.

I think the scariest part of that song "Born To Be Wild" is when they find a head out on the highway.

Common sense is not a gift, it's a punishment. Because you have to deal with everyone who doesn't have it.

I got pulled over on the way back home from grabbing McDonald's with my niece. I was going 12 mph over the speed limit.

As the officer started walking up to my car, I rolled all of my windows down. My adorable and apparently INCREDIBLY smart 7-year-old niece started screaming from the backseat, "It's coming out! I can't hold it any longer! It's almost here!!!" Now the trooper is HEARING her scream this and he leans in the window and asks her, "What's going on here???"

She looks him dead in the face and says, "I've got poop coming outta my butt!!!"

He started laughing! I was shocked and embarrassed. He asked how far I had to go, which was about 3 miles home. He told me to drive safe and get Miss Pupu Butt home to do her business. He could NOT stop laughing! As soon as we pulled away I asked, "What was that about???"

My niece smirked and said! "I saw it on YouTube but I didn't think it would work."

I said, "So, you're not pooping?" She said nope and you're not in trouble either. This ill girl is my hero!!!

My girl bought some lingerie. She said she bought it for me, but got upset when I put it on. I don't get women.

A blonde heard that milk baths would make her beautiful. She left a note for her milkman to leave 25 gallons of milk.

When the milkman read the note, he felt there must be a mistake. He thought she probably meant 2.5 gallons, so he knocked on the door to clarify the point.

The blonde came to the door and the milkman said, 'I found your note asking me to leave 25 gallons of milk. Did you mean 2.5 gallons?'

The blonde said, 'I want 25 gallons. I'm going to fill my bathtub up with milk and take a milk bath so I can look young and beautiful again.'

The milkman asked, 'Do you want it pasteurized?'

The blonde said, 'No, just up to my tits. I can splash it on my face.'

IF PEOPLE MAKE YOU SICK MAYBE YOU SHOULD COOK THEM LONGER

I BROUGHT HOME THIS OTHER HUMAN. HE LIVES HERE NOW.

SNOWBALL GETS EVEN

I have a pet manatee named Hugh. I built him a house. It's a habitat for Hugh manatee.

I've opened a gym, where the instructors would go from door to door, to tell people about the benefits of joining it.

I've named it Jehovah's Fitness.

U-Haul has the worst drivers of any company.

The Geezer's Paradox

You don't become cooler with age but you do care progressively less about being cool, which is the only true way to actually be cool.

'IRRITABLE OWL SYNDROME'

THE ONLY TIME A MAN SHOULD IMPRESS YOU WITH THE SIZE OF HIS TRUCK IS WHEN HE SHOWS UP IN IT AND SAYS, "GET IN, WE ARE GOING ON A FLEA MARKET TRIP AND WE'RE GONNA FILL THIS BABY UP!"

Yesterday I received a friend request from a young, attractive girl, about 20 years old... I was curious.

I wanted to know why someone that young wanted to be my Facebook friend. So I accepted it. Then she started sending me private messages...

She called me handsome. She asked my age. I'm not a liar so I told her and reminded her I'm quite a bit her senior. Within a short time, she asked if we could talk about 'adult things'.

I said ok. Then she said "OK stud, you start..."

So I did! I told her adult things like I have arthritis and my knees hurt badly. My back acts up when it is cold outside. I explained that I have crazy insomnia. Didn't forget to tell her about my asthma inhaler. Can't forget that. I told her, sometimes I wake up with horrible neck pain and that sometimes my back cracks when when I'm getting out of bed. Not to forget my restless leg pain during night. And yessss the burps & the farts loud enough to wake up the neighbors!

I was as honest as I could be about ADULT THINGS so I don't understand why she blocked me?

I don't know who needs to hear this today, but you're a good mom. Those kids are just bad. They probably get it from their dad.

"Male, 38, still living with his parents. They asked us to keep him overnight, so they could change the locks."

Remember to drink lots of water and stay indoors between 11:00 AM and November 1st.
