

Coco'Nut' Funnies

Four old Catholic men and a Catholic woman were having coffee in St. Peters Square.

The first man tells his friends, "My son is a priest, when he walks into a room, everyone calls him 'Father.'"

The second man chirps, "My son is a Bishop. When he walks into a room people call him 'Your Grace.'"

The third gent says, "My son is a Cardinal. When he enters a room everyone bows their head and says 'Your Eminence.'"

The fourth man says very proudly, "My son is the Pope. When he walks into a room people call him 'Your Holiness.'"

Since the lone woman was sipping her coffee in silence, the four men give her a subtle, "Well...?"

She proudly replies, "I have a daughter, she's a lingerie model. When she walks into a room, people say, 'JESUS!'"

Whoever put the "s" in fastfood, is a marketing genius.

Once there was a little boy who lived in the country. They had to use an outhouse, and the he hated it because it was hot in the summer, cold in the winter and stank all the time. The outhouse was sitting on the bank of a creek and the boy determined that one day he would push that outhouse into the creek.

One day after a spring rain, the creek was swollen so the little boy decided today was the day. He got a large stick and started pushing. Finally, the outhouse toppled into the creek and floated away.

That night his dad told him they were going to the woodshed after supper. Knowing that meant a spanking, the little boy asked why. The dad replied, "Someone pushed the outhouse into the creek today. It was you, wasn't it, son?" The boy answered yes.

Then he thought a moment and said, "Dad, I read in school today that George Washington chopped down a cherry tree and didn't get into trouble because he told the truth."

The dad replied, "Well, son, George Washington's father wasn't in that cherry tree."

A guy goes into the doctor's office. There is a banana stuck in one of his ears, a carrot stuck in one nostril and a cucumber in the other ear. The man says, "Doc, this is terrible. What's wrong with me?"

The doctor says, "Well, first of all, you're not eating right."

George Phillips, an elderly man from Michigan, was going up to bed when his wife told him that he'd left the light on in the garden shed, which she could see from the bedroom window. George opened the door to go turn off the light but saw that there were people in the shed stealing things.

He phoned the police, who asked "Is someone in your house?" He said "No," but some people are breaking into my garden shed and stealing from me."

Then the police dispatcher said "All patrols are busy. You should lock your doors and an officer will be along when one is available."

George said, "Okay." He hung up the phone and counted to 30. Then he phoned the police again.

"Hello, I just called you a few seconds ago because there were people stealing things from my shed. Well, you don't have to worry about them now because I just shot and killed them both; the dogs are eating them right now," and hung up.

Within five minutes, six Police Cars, a SWAT Team, a Helicopter, two Fire Trucks, a Paramedic and an Ambulance showed up at the Phillips' residence, and caught the burglars red-handed. One of the Policemen said to George, "I thought you said that you'd shot them!"

George said, "Didn't you say there was nobody available?"

Overheard my 11-year-old daughter record her voicemail greeting: "Hi, you've reached my voicemail. When you hear the beep, hang up and send me a text." She gets it.

Tripophobia
(n.) The fear of not fishing having any fishing trips currently booked

This cop pulls over a motorcycle driver one day and asks to see some ID. The cyclist says, "I don't have any on me but my name is Fred." the cop asks, "Fred what?" he says, "Just Fred." SO the cop says, "You have to have a last name! I plan on just giving you a written warning but now I'm rethinking that decision." The biker says, "Well, I used to be Fred Johnson. I studied hard to be a doctor and my name was then Fred Johnson MD. But after a while I got bored being a doctor so I studied some more and became a dentist. My name was then Fred Johnson MD DDS. Well, while being a dentist I fooled around with an intern and got VD. SO, then I became Fred Johnson MD DDS with VD. The ADA found out about the VD and stripped me of my license so then I was Fred Johnson DDS with VD. Then the ADA found out about the VD and took that license away and I was just Fred Johnson with VD. VD took away my Johnson so now it's just Fred."

Ed and Linda met while on a singles cruise and Ed fell head over heels for her. When they discovered they lived in the same city only a few miles apart Ed was ecstatic. He immediately started asking her out when they got home. Within a couple of weeks, Ed had taken Linda to dance clubs, restaurants, concerts, movies, and museums. Ed became convinced that Linda was indeed his soul mate and true love. Every date seemed better than the last.

On the one-month anniversary of their first dinner on the cruise ship, Ed took Linda to a fine restaurant. While having cocktails and waiting for their salad, Ed said, "I guess you can tell I'm very much in love with you. I'd like a little serious talk before our relationship continues to the next stage. So, before I get a box out of my jacket and ask you a life changing question, it's only fair to warn you, I'm a total golf nut. I play golf, I read about golf, I watch golf on TV. In short, I eat, sleep, and breathe golf. If that's going to be a problem for us, you'd better say so now!"

Linda took a deep breath and responded, "Ed, that certainly won't be a problem. I love you as you are and I love golf too; but, since we're being totally honest with each other, you need to know that for the last five years I've been a hooker."

Ed said, "I bet it's because you're not keeping your wrists straight when you hit the ball."
