

Coco'Nut' Funnies

As a child, I always had a fear of someone under the bed at night. So I went to a shrink and told him: I've got problems. Every time I go to bed I think there's somebody under it. I'm scared. I think I'm going crazy."

"Just put yourself in my hands for one year," said the shrink. "Come talk to me three times a week and we should be able to get rid of those fears."

"How much do you charge?"

"One hundred fifty dollars per visit," replied the doctor. "I'll sleep on it," I said.

Six months later the doctor met me on the street. "Why didn't you come to see me about those fears you were having?" he asked.

"Well, \$150 a visit, three times a week for a year, is \$23,400.00. A bartender cured me for \$10.00. I was so happy to have saved all that money that I went and bought a new pickup truck."

"Is that so?" With a bit of an attitude he said, "and how, may I ask, did a bartender cure you?"

"He told me to cut the legs off the bed. Ain't nobody under there now."

It's always better to get a second opinion.

CAN YOU DO IT?

I hate people who can't let go of the past.

Debt collectors are the worst.

My phone just filmed a 3 hour documentary about life inside my pocket.

WHEN IS "OLD ENOUGH TO KNOW BETTER" SUPPOSED TO KICK IN

I bought my mother-in-law a pair of ankle weights for her workouts. Sadly, she's proven to be a much stronger swimmer than I'd imagined.

You know you're getting old when you run into your friends at the pharmacy instead of at the nightclub.

Dan was a single guy living at home with his father and working in the family business. When he found out he was going to inherit a fortune when his sickly father died, he decided he needed to find a wife with whom to share his fortune.

One evening, at an investment meeting, he spotted the most beautiful woman he had ever seen. Her natural beauty took his breath away.

"I may look like just an ordinary guy," he said to her, "but probably in just a few years my father will die and I will inherit \$200 million."

Impressed, the woman asked for his business card.

Three days later, she became his stepmother.

Women are so much better at financial planning than men.

Out of nowhere, my nephew just asked, "Do you think Pavlov thought about feeding his dog every time he heard a bell ring?" and now I'm going to be haunted by this question

You're just really good at letting go of the past!

If you're having a bad day, just remember that the airport in Salzburg, Austria has a counter for people who flew to Austria instead of Australia.

If I see one more person texting and driving I'm gonna roll my car window down and throw my beer at them

I was eating breakfast with my 10-year-old granddaughter and I asked her, "What day is tomorrow?"

Without skipping a beat she said, "It's Presidents Day!"

She's smart, so I asked her "What does Presidents Day mean?"

I was waiting for something about Obama, Biden or Trump, etc.

She replied, "Presidents Day is when the President steps out of the White House, and if he sees his shadow, we have another year of bullshit."

A Key Largo man walks into a bank in Miami and asks for the loan officer. He tells the loan officer that he is going to Washington DC on business for four weeks and needs to borrow \$5,000.

The bank officer tells him that bank will need some form of security for the loan, so the man hands over the keys to a brand new Mercedes Benz S class 500 parked on the street in front of the bank. Produces the title and everything checks out.

The loan officer agrees to accept the car as collateral for the loan. The bank's president and its officers all enjoy a good laugh at the guy for using a Mercedes Benz as collateral against a 5,000 loan.

An employee of the bank then drives the Mercedes Benz into the bank's underground garage and parks it there. Four weeks later, the fellow returns, repays the \$5,000 and the interest, which comes to \$150.

The loan officer says 'Sir, we are very happy to have had your business but we are a little puzzled. While you were away, we checked you out & found that you are a multi millionaire. What puzzles us is, why would you bother to borrow \$5,000?' The Keys guy replies: "Where else in Miami can I park my car four weeks for only \$150 and expect it to be there when I return?"

Watching 'Friday the 13th'. Yuck! Awful makeup on brain-dead zombies. Hang on. Sorry, wrong channel. It's 'The View'.

Netflix needs to stop asking if I'm still watching and start asking if I moved the laundry to the dryer yet.

A husband walks into Victoria's Secret to purchase a sheer negligee for his wife for Valentine's Day.

He is shown several possibilities that range from \$250 to \$500 in price - the more sheer, the higher the price. He opts for the sheerest item, pays the \$500, and takes it home.

He presents it to his wife and asks her to go upstairs, put it on, and model it for him.

Upstairs, the wife thinks (she's no dummy), "I have an idea ... it's so sheer that it might as well be nothing. I won't put it on, I'll do the modeling naked, return it tomorrow, and keep the \$500 refund for myself."

She appears naked on the balcony and strikes a pose.

The husband says, "Good grief! You'd think for \$500, they'd at least iron it!"
