Airports

(n.) Paradise where rules of society don't apply. Eat pizza & drink beer at 7am in sweatpants. Nobody cares.

She is so blonde...

- She thinks she can't listen to her AM radio at night.
- She thinks Taco Bell is the Mexican phone company.
- She heard that 80% of accidents happen at home, so she moved.
- When she missed bus 44, she took bus 22 twice.
- She tried to put the M&Ms in alphabetical order.
- At the bottom of her job application where it says "Sign Here" she wrote "Virgo."
- She told her friend to meet her at the corner of WALK and DON'T WALK.
- She thinks the TGIF on her t-shirt stands for "This Goes In Front."

Well, it's July and almost 100 degrees. Walmart should be putting the Christmas stuff out any day now.

"DUNNING-KRUGER EFFECT."

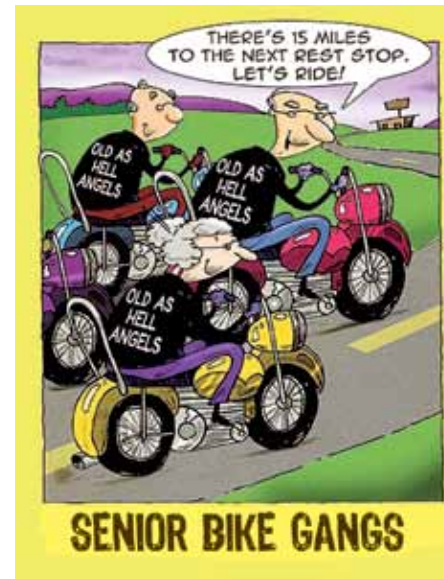

... a type of cognitive bias, where people with little expertise or ability assume they have superior expertise or ability. This overestimation occurs as a result of the fact that they don't have enough knowledge to know they don't have enough knowledge.

They're gathering information by going through our trash. Learning. Plotting.

Raccoons haven't forgotten that we used to wear them as hats.

YOU'LL HIT EVERY CONE ON THE HIGHWAY BEFORE I LET YOU MERGE IN FRONT OF ME BECAUSE YOU SAW THAT SIGN 2 MILES AGO LIKE I DID.

SENIOR BIKE GANGS

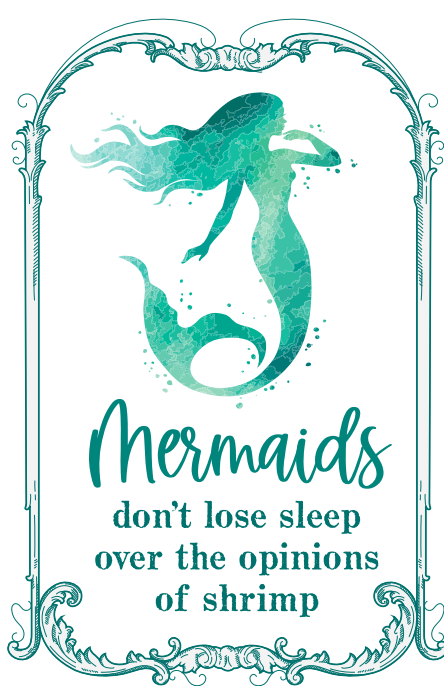

Once upon a time, a beautiful, independent princess happened upon a frog in a pond. The frog said to the princess, "I was once a handsome prince but an evil witch put a spell on me. One kiss from you and I will turn back into a prince. Then we can marry, move into the castle, and you can prepare my meals, clean my clothes, bear my children and forever feel happy for doing so." That night, while the princess dined on frog legs, she laughed to herself and thought, "I REALLY don't think so."

Please keep your dogs and children quiet in the mornings. Some of us have been up all night setting off fireworks. Thank you.

Storm season is beginning. If a news van pulls into your driveway remember: teeth and bras people. Teeth and bras.

My favorite sports team keeps losing so much I don't even wanna watch their games anymore, but my wife tells me I have to because "it's just 9-year-olds playing soccer" and "we have to support our daughter"

watched a dude carry a screaming toddler across the parking lot. he noticed me looking at him and said "he's mine, i'm not stealing him" and then before i could reply he added "if i was gonna take one, it definitely wouldn't be this asshole"

My neighbors are still shooting fireworks on July 5th...

Almost set my Christmas tree on fire.

Completely misunderstood pride month. Who wants to buy 15 lions?

Recently my daughter e-mailed me again, asking why I didn't do something useful with my time.

"Like, me sitting around the pool and drinking wine is not a good thing?" I asked.

My "doing-something-useful" seems to be her favorite topic of conversation. She was "only thinking of me," she said, and suggested that I go down to the Senior Center and join something.

I did this and when I got home last night, I decided to play a prank on her. I e-mailed her and told her that I had joined a Parachute Club.

She replied, "Mother, are you nuts? You are 78 years old and now you're going to start jumping out of airplanes?" I told her that I even got a membership card and e-mailed a copy to her.

She immediately telephoned me and yelled, "Good grief, Mom, where are your glasses?! This is a membership to a Prostitute Club, not a Parachute Club!"

I calmly replied, "Oh my, I think I'm in real trouble then, because I signed up for five jumps a week!!"

The line went quiet and her friend picked up the phone and said that my daughter couldn't speak.

Life as a senior citizen is not getting any easier, but sometimes it can be real fun. Just because you're younger doesn't mean that you can outsmart an old geezer.

Remember: Don't make old people mad. We don't like being old in the first place, so it doesn't take much to tick us off.
