

Coco'Nut' Funnies

A lawyer, who had a wife and 12 children, needed to move. When he said he had 12 children, no one would rent a home to him, because they felt that the children would destroy the place.

He couldn't say he had no children because he couldn't lie (as we all know, lawyers cannot, do not lie).

So he sent his wife for a walk to the cemetery with 11 of their kids. He took the remaining one with him to see rental homes with the real estate agent.

He loved one of the homes and the price was right.

The agent asked: "How many children do you have?"

He answered: "Twelve."

"Where are the others?"

The lawyer, with his best courtroom sad look, answered, "They're in the cemetery with their mother."

Moral: it's not necessary to lie; one has only to choose the right words. Don't forget - most politicians are lawyers!

I LOVE WORKING OUT! TODAY I DID ABS...OLUTELY NOTHING

A young guy from Wisconsin moves to Florida and goes to a big everything-under-one-roof department store looking for a job.

The Manager says, 'Do you have any sales experience?'

The kid says 'Yeah. I was a salesman back in Wisconsin.'

Well, the boss liked the kid and gave him the job. 'You start tomorrow. I'll come down after we close and see how you did.' His first day on the job was rough, but he got through it.

After the store was locked up, the boss came down. 'How many customers bought something from you today?'

The kid says, 'One.'

The boss says, 'Just one? Our salespeople average 20 to 30 customers a day. How much was the sale for?'

The kid says, '\$101,237.65.'

The boss says, '\$101,237.65! What the heck did you sell?'

The kid says, 'First, I sold him a small fish hook. Then I sold him a medium fishhook. Then I sold him a larger fishhook. Then I asked him where he was going fishing, and he said down the coast, so I told him he was going to need a boat, so we went down to the boat department, and I sold him a twin-engine Chris Craft. Then he said he didn't think his Honda Civic would pull it, so I took him down to the automotive department and sold him that 4x4 Expedition.'

The boss said 'A guy came in here to buy a fish hook and you sold him a BOAT and a TRUCK?'

The kid said 'No, the guy came in here to buy Tampons for his wife, and I said, 'Dude, your weekend's shot, you should go fishing.'

I was told I could look at an eclipse with a colander. I tried it and it just strained my eyes.

HOSTAGE OR NOT. SOMETIMES IT'S JUST NICE TO BE HELD.

A turkey was chatting with a bull. "I would love to be able to get to the top of that tree," sighed the turkey, "but I haven't got the energy."

Well, why don't you nibble on some of my droppings?" replied the bull. "They're packed with nutrients."

The turkey pecked at a lump of dung, and found it actually gave him enough strength to reach the lowest branch of the tree.

The next day, after eating some more dung, he reached the second branch.

Finally after a fourth night, the turkey was proudly perched at the top of the tree. He was promptly spotted by a farmer, who shot him out of the tree.

Moral of the story: Bullshit might get you to the top, but it won't keep you there.

400 passengers but only 200 meals were loaded onto a flight from Delhi to New York City.

It was only discovered after take off, when the flight attendants started going through their preparations for the meals. So, the airline had bungled, and the crew was in a fix. However, one smart flight attendant had an idea...

A couple of hours into the flight she nervously announced, "Ladies and gentleman, we don't know how this happened, but we have over 400 people on board, but only 200 dinners. Anyone who is kind enough to give up their meal to someone else will receive unlimited free liquor for the duration of the flight."

Her next announcement came six hours later. {Ladies and gentlemen, if anyone wants to change their mind, we still have 180 dinners available.}

Moral of the story: People who like to drink have very kind hearts!
