

Coco'Nut' Funnies

A monkey is sitting in a tree, smoking a joint, when a lizard walks past. The lizard looks up and says "Hey! what are you doing?" The monkey says "Smoking a joint, come up and join me"

So the lizard climbs up and sits next to the monkey and they have another joint. After a while the lizard says his mouth is dry, and that he's going to get a drink from the river.

At the riverbank, the lizard is so stoned that he leans too far over and falls in. A crocodile sees this and swims over to the stoned lizard, helping him to the side. He then asks the lizard, "What's the matter with you?!" The lizard explains to the crocodile that he was sitting in the tree, smoking a joint with the monkey and his mouth got dry, and that he was so wasted that, when he went to get a drink from the river, he fell in!

The inquisitive crocodile says he has to check this out. He walks into the jungle and finds the tree where the monkey is sitting, finishing a joint.

He looks up and says "Hey, MONKEY!"

The monkey looks down and says "OMG!! DUUUDE HOW MUCH WATER DID YOU DRINK?"

My favorite sport is track . . . lng my online orders.

A man rushes into a bar and says, "Quick! Give me a pint of lager!"

No sooner does he finish that drink, he orders a whiskey and slams it down.

As fast as the bartender is pouring the drinks, the man is knocking them back, one after the other. The bartender says, "Are you okay buddy? What's brought this on?"

The man replies, "Man, I should NOT be drinking all this with what I've got."

"Holy smokes," replies the bartender, "what have you got?!"

The man replies, "About five bucks"

I said I was good at making decisions. I didn't say those decisions were good.

I can't afford an Ancestry DNA Kit to learn about my relatives. So instead, I posted online that I had won the lottery.

Do you ever go out, and while you're out you think "This is exactly why I don't go out"

In central Florida, after becoming very frustrated with the attitude of a shopkeeper, the young blonde declared, "Well, then, maybe I'll just go out and catch my own alligator and get a pair of alligator shoes for free!"

The shopkeeper replied with a sly smile, "Well, little lady, why don't you go give it a try?"

The blonde headed off to the swamp, determined to catch an alligator. Later in the day, the shopkeeper was driving home and spotted the young woman standing waist-deep in the murky water, shotgun in hand.

He saw a huge 9-foot gator swimming rapidly toward her. With lightning reflexes, the blonde took aim, shot the creature and hauled it up onto the slippery bank.

Nearby were 7 more dead gators all lying belly up. The shopkeeper watched in amazement as the blonde struggled with the gator. Then, rolling her eyes, she screamed in frustration, "CRAP!! THIS ONE'S BAREFOOT TOO!!!"

THE WORST THING ABOUT STOLEN PASSWORDS IS HAVING TO RENAME YOUR DOG

The child asked what year I was born and I said 1978. She said that's not a real year, years start with 20.

I called my stockbroker this morning and asked him, "What I should be buying?" He said, "canned goods and ammunition."

Some days, it seems like you're surrounded by idiots. On other days, you realize it's not just some days.

A woman brought a very limp duck into a veterinary surgeon. As she laid her pet on the table, the vet pulled out his stethoscope and listened to the bird's chest.

After a moment or two, the vet shook his head and sadly said, "I'm sorry, your duck has passed away."

The distressed woman wailed, "Are you sure?"

"Yes, I am sure. Your duck is dead," replied the vet.

"How can you be so sure?" she protested. "I mean you haven't done any testing on him or anything. He might just be in a coma or something."

The vet rolled his eyes, turned around and left the room. He returned a few minutes later with a black Labrador.

As the duck's owner looked on in amazement, the dog stood on his hind legs, put his front paws on the examination table and sniffed the duck from top to bottom. He then looked up at the vet with sad eyes and shook his head. The vet patted the dog on the head and took it out of the room

A few minutes later he returned with a cat. The cat jumped on the table and also delicately sniffed the bird from head to foot. The cat sat back on its haunches, shook its head, meowed softly and strolled out of the room.

The vet looked at the woman and said, "I'm sorry, but as I said, this is most definitely, 100% certifiably, a dead duck."

The vet turned to his computer terminal, hit a few keys and produced a bill, which he handed to the woman.

The duck's owner, still in shock, took the bill. "\$1500!" she cried, "\$1500 just to tell me my duck is dead!"

The vet shrugged, "I'm sorry. If you had just taken my word for it, the bill would have been \$100, but with the Lab Report and the Cat Scan, it's now \$1500."
