Islamorada Library Hosts Marcia Brito's "Imaginarium" Art Exhibit

The Islamorada Library is hosting a new Conceptual Art solo exhibit titled "Imaginarium" by local artist Marcia Brito until Friday, November 29 at the Islamorada branch of the Monroe County Public Library located at 81830 Overseas Hwy, Islamorada, during Library hours.

"Imaginarium" is a series of conceptual artworks that aim to inspire imagination and fun visual play. This exhibit is curated by the artist: "I am curating my own solo show for the first time. The opportunity to install my own narrative is exciting, as usually art exhibits have predetermined curators. I have let my imagination run wild and I am sharing visual worlds that appeal to the subconscious; scenes and objects that catch my eyes as stimulating and I transform them further through various processes, with the intention of adding beauty and joy to everyday life.
