

Coco'Nut' Funnies

At a wedding ceremony, the priest asked if anyone had anything to say concerning the union of the bride and groom. It was their time to stand up and talk, or forever hold their peace.

The moment of utter silence was broken by a young, beautiful woman carrying a child. She started walking toward the pastor slowly.

Everything quickly turned to chaos. The bride slapped the groom. The groom's mother fainted. The groomsmen started giving each other looks and wondering how best to help save the situation.

The priest asked the woman, "Can you tell us why you came forward? What do you have to say?"

The woman replied, "We can't hear in the back."

WHEN SOMEONE TELLS ME I LOOK FAMILIAR, I TELL THEM, "I DO PORN."

People cheating on their taxes disgust me. This is not the world I want to raise my 23 dependents in...

WHEN YOU BRING HOME THOSE DISCOUNT EGGS YOU BOUGHT AT A FARMER'S MARKET IN FLORIDA

So I'm at Publix buying a bag of dog food for my dog. While in the check-out line, a woman behind me asked if I had a dog. Why else would I be buying dog food, RIGHT???

So on impulse I told her that no, I didn't have a dog, I was starting the Dog food Diet again, and that I probably shouldn't because I ended up in the hospital last time, but that I'd lost 50 pounds before I awakened in intensive care with tubes coming out of most of my orifices and IVs in both arms.

I told her that it was essentially a Perfect Diet and all you do is load your pockets with food Nuggets and simply eat one or two every time you feel hungry. The food is nutritionally complete so it works well and I was going to try it again.

(I have to mention here that practically everyone in line was now enthralled with my story.) Horrified, she asked if I ended up in intensive care because the dog food poisoned me. I told her no, I stepped off a curb to sniff a poodle's butt and a car hit me. I thought the guy behind her was going to have a heart attack he was laughing so hard.

Dear unknown number calling me, I admire the persistence but I don't even answer the phone when it's someone I know.

My husband asked if he had any annoying habits, and then got all offended during the PowerPoint presentation...

Whoever came up with the word dentures really missed the opportunity to call them "substitooths"

"Go home and let your dog lick your face. Dog saliva is the most effective antidepressant you can get without a prescription."

This actually happened to my friend: I just remembered being on a flight on a new plane a couple of years ago. While taxiing the steward comes over the intercom and gives us some basic stats on the new craft and explains that it is kitted out with a new advanced intercom/ordering system that as soon as we reach altitude all you have to do is to speak into the hidden microphone next the reading lights, speak your beverage order and it will be delivered automatically to your seat.

So, we take off and level out and a ton of passengers start yelling: "I'd like a flat white"; "a coke would be nice"; "...a glass of Chardonnay please"....

I was laughing my butt off and then the steward comes over the horn snickering and states that he was only kidding. It was an April Fools joke....

I JUST TURNED OFF THE NEWS AND PUT ON A SERIAL KILLER DOCUMENTARY TO RELAX.

Most people could care less that people say irregardless. This misuse should of been nipped in the butt long ago. Maybe they are just escape goats for the broader problems of the decline of education, but even though I have been biting my time here, cringing at the next foe par while they get off scotch free, it's truly a mute point these days. Face it: it's a doggie dog world. I think I'll just go curl up in a feeble position. Ex cetera, ex cetera, ex cetera...

HEARD IN THE UPPER KEYS...

Went to see a play by the Key Players about fly fishing. The cast was amazing.

I could tell the traffic was bad in Islamorada when even Siri said "Are we there yet?"

Traffic jam noted on Facebook - caused by a truck load of terrapins hitting a pickup load of tortoises. Turtle chaos

Friend of mine barged through the traffic the other day near the Snake Creek Bridge. Didn't even know he had a boat...

I had a phobia of orange barrels but I'm slowly getting over it.

Biggest cause of road rage? Cross roads.

The potholes on the stretch will change your radio station and unlock the doors.
