*On the shirt back is Carol's
image of Ruby Stern, matriarch
of Downtown Card Sound Road,
a place that doesn't exist on any
map... yet was home to a
community of free spirits,
fishermen and independent
thinkers who took up residence
there. Located on the west side
of the road south of Alabama
Jack's, and the toll booth, the
shack was originally built by
workers who constructed the toll
bridge around 1968. In 1972
Ruby moved in and lived there
for 27 years. She'd sit on the
steps of her shack, with an old
Colt 44 daring anyone to throw
her off the land. She stayed. Not
even the destructive forces of
hurricane Andrew and the
county's condemnation of the
shack could send her from her
spot on the bay on Card Sound.
She moved to a trailer alongside
and lived there until 1999 when
she had to leave due to illness,
and died at age 90.*
