With all the uproar about traffic and safe driving on US1, here are some recent rulings from Tallahassee you might have missed.

FDOT will choose a section along US1 to arrange the rumble strips to play a Jimmy Buffett tune when you drive over them. The choice of tune will be on the next election ballot - so, we decide which song most illustrates the flavor of the Keys.

FDOT has passed a new requirement for drivers. After a mandatory 20-question test, taken on the FDOT app, each driver will be assigned a "wrap" for their vehicle designed to coordinate with the personality type of the car owner. Wraps will include, but not be limited to: Unicorn/Rainbow design, Angry Monster Face (on the hood), Sistine Chapel painting, Smiling Sloth, Sleek Cheetah/Cougar...

Cars will no longer be manufactured in black, silver, grey

or bronze. All cars will be painted in bright colors that can be seen easily in traffic, identified by a witness and followed in a chase.

Headlights will have two settings: High Beam and On - there will be no Off choice.

US1 - See It All Highway - an elevated highway is planned for construction over the next 5 years. It will run from Homestead to Marathon. Construction will be coordinated with the upgrade of the Aqueduct pipeline to minimize traffic disturbance. The See It All Highway - some are dubbing it the Sea to Sky Way - will have on and exit ramps in Key Largo, and Islamorada, Tavernier has opted out on access. Once past Marathon, the See It All will rejoin US1 where it will continue to Key West. It is expected to shift heavy traffic to sunset hour and help congestion in the Upper Keys.

FREE Healthy Frozen Meals!

NOT A PATIENT? NO PROBLEM!
Open to **ALL** Florida Keys residents.
