10,000 blonde ladies attended the “Blondes Are NOT Dumb” convention in Ohio. The host takes the mic and shouts, “We’re all here to prove to the world that blondes are not dumb!” The crowd erupts in cheers! Next, she randomly calls up a blonde named Misty.

“Okay, Misty, here’s your first question: What is 2,381 x 456?”

Misty looks puzzled. “I don’t... know,” she giggles.

The crowd chants, “Give her another chance! Give her another chance!”

“Alright, Misty — what is 64 divided by 8?”

Misty shrugs. “Ummm... no idea.”

The crowd goes wild again. “Give her another chance! Give her another chance!”

“Okay, Misty, one more chance... what is 2 + 2?”

Misty pauses, thinks hard, and says, “Umm... four?”

The entire crowd jumps up and screams... “Give her another chance! Give her another chance!”

I was in Homestead last night and saw a local cop was making his evening rounds. As he was checking a used car lot, he came upon two little old ladies sitting in a used car. He stopped and asked them why they were sitting there in the car... were they trying to steal it?

'Heavens no, we bought it.'
'Then why don't you drive it away?'
'We can't drive.'
'Then why did you buy it?'
'We were told that if we bought a used car here we'd get screwed, so we're just waiting.'

A middle-aged woman seemed sheepish as she visited her gynecologist. “Come now,” coaxed the doctor, “you’ve been seeing me for years. There’s nothing you can’t tell me.”

“This one’s kind of strange,” the woman said.

“Let me be the judge of that,” the doctor replied.

“Well,” she said, “yesterday I went to the bathroom in the morning and heard a plink-plink-plink in the toilet. When I looked down, the water was full of pennies.”

“I see,” commented the doctor calmly.

“That afternoon, I went to the bathroom again and, plink-plink-plink, there were nickles in the bowl,” the woman continued.

“That night,” she went on, “I went again, and plink-plink-plink, there were dimes. This morning, there were quarters!”

“You’ve got to tell me what’s wrong with me!” she implored. “I’m scared out of my wits!”

The gynecologist put a comforting hand on her shoulder. “There, there, it’s nothing to be scared about,” he said.

“You’re simply going through the change!”.

A man walks into a bar and orders a drink. A minute later, he hears, “You look great. Have you lost weight?” He looks around, but there’s no one near.

Again, a minute later, he hears, “You know, you don’t look a day over 30.”

Looks around again, no one but him and the bartender, so he asks, “Did you hear that?”

The bartender says, “It’s the peanuts. They’re complimentary.”

this is what happens when we drain pumpkins of their spice, think twice before u order that latte
