

Coco'Nut' Funnies

An older gentleman had 50 yard line tickets for the Super Bowl.

As he sat down, he noticed that the seat next to him was empty. He asked the man on the other side of the empty seat whether anyone was sitting there.

“No, the man replied - the seat is empty.”

“This is incredible,” said the first man. “Who in their right mind would have a seat like this for the Super Bowl, the biggest sporting event in the world and not use it?”

The second man replied; “Well, actually, the seat belongs to me - I was supposed to come with my wife, but she passed away. This will be the first Super Bowl we haven’t been together since we got married in 1967.”

“Oh, I’m sorry to hear that - that’s terrible. But couldn’t you find someone else - a friend or relative, or even a neighbor to take the seat?”

The man shook his head - “No, they’re all at the funeral.”

my daughter asked why she can't just quit school and i told her it's against the law and they'll put me in jail and my sweet sweet child looked me in the eye and said "i'll visit you"

The mailman told me he's off to Spain tomorrow, so I asked him if he was going to Parcelona. He proceeded to ignore what I believe to be my best joke.

Well did you say it right? The key to a good mailman joke is the delivery.

Pepsi & Coca-Cola can't even be in the same restaurant... and we want world peace.

Me: Bathroom is cleaned.

Wife: Thank you.

Me: Why do we keep the toilet brush in the shower?

Wife: What?

Me: Why is the toilet brush in the shower?

Wife: What the hell are you talking about?

Me: The puffy thing with the handle.

Wife: MY LOOFAH?!

Me: You named the toilet brush?

When the bus arrives, they find it overloaded and only the wife and the nine kids are able to fit onto the bus. So the husband and the blind man decide to walk.

After a while, the husband gets irritated by the ticking of the stick of the blind man as he taps it on the sidewalk, and says to him, "Why don't you put a piece of rubber at the end of your stick? That ticking sound is driving me crazy."

The blind man replies, "If you had put a rubber at the end of YOUR stick, we'd be riding the bus, so shut up."

If really good-looking people are "eye candy" I guess that puts me somewhere around the "eye broccoli" category.

I had a phone conversation today with a very nice young chap from Pakistan. This is how it went:

“Hello sir, how are you today?”

“I’m very well, thank you for asking. And how are you?”

And, more to the point, WHO are you?”

“Sir, my name is Sanjit, and I’m calling you from Microsoft”.

“Microsoft, eh? Is that a city in Pakistan? How’s the weather there today?”

“ No, sir - MICROSOFT, the computer company. I’m calling to tell you that we have found a problem with your computer and - ”

“REALLY?? Well, that’s quite concerning!”

“Yes sir, it can become very serious indeed, but thankfully I will be able to fix it for you. Now, if you - ”

“No, I meant it’s very concerning because you see I don’t HAVE a computer”.

“You don’t?”

“I don’t”.

“Ahh, it must be a problem on your laptop sir - ”

“Don’t have one”.

“Ipad?”

“Nope”.

“Tablet?”

“Nope, I have none of those things. As a matter of fact,

I don’t even have a telephone”.

After a few seconds of silence he said “Ah, sir, you are lying to me now!”

I said “Well, you started it!!” and put the phone down.
