

Coco'Nut' Funnies

Two little old ladies were sitting on a park bench outside the local town hall where a flower show was in progress.

The older one leaned over and said, "Life is so boring. We never have any fun anymore. For \$10.00 I'd take my clothes off and streak through that stupid, boring flower show!"

"You're on!" said the other old lady, holding up a \$10.00 note.

The first little old lady slowly fumbled her way out of her clothes and completely naked, streaked (as fast as an old lady can) through the front door of the flower show.

Waiting outside, her friend soon heard a huge commotion inside the hall, followed by loud applause and shrill whistling.

Finally, the smiling and naked old lady came through the exit door surrounded by a cheering, clapping crowd.

"What happened?" asked her waiting friend.

"I won \$1000 1st prize for 'Best Dried Arrangement'."

A'LURE'ING NAILS

Sarah was in the fertilized egg business. She had several hundred young pullets and ten roosters to fertilize the eggs. She kept records and any rooster not performing went into the soup pot and was replaced. This took a lot of time, so she bought some tiny bells and attached them to her roosters. Each bell had a different tone, so she could tell from a distance which rooster was performing. Now, she could sit on the porch and fill out an efficiency report by just listening to the bells.

Sarah's favorite rooster, old Butch, was a very fine specimen but, this morning she noticed old Butch's bell hadn't rung at all! When she went to investigate, she saw the other roosters were busy chasing pullets, bells-a-ringing, but the pullets hearing the roosters coming, would run for cover.

To Sarah's amazement, old Butch had his bell in his beak, so it couldn't ring. He'd sneak up on a pullet, do his job, and walk on to the next one.

Sarah was so proud of old Butch, she entered him in a show and he became an overnight sensation among the judges. The result was the judges not only awarded old Butch the "No Bell Peace Prize" they also awarded him the "Pulletsurprise" as well.

Clearly old Butch was a politician in the making. Who else but a politician could figure out how to win two of the most coveted awards on our planet by being the best at sneaking up on the unsuspecting populace and screwing them when they weren't paying attention.

Groups of Americans were traveling by tour bus through Switzerland. As they stopped at a cheese farm, a young guide led them through the process of cheese making, explaining that goat's milk was used.

She showed the group a lovely hillside where many goats were grazing. "These," she explained, "are the older goats put out to pasture when they no longer produce."

She then asked, "What do you do in America with your old goats?"

A spy old gentleman answered, "They send us on bus tours!"

Two guys are driving along in a car when they see two dogs mating in someone's yard:

The driver says, "That is great. Me and my wife do that every night."

The passenger replies, "My wife is conservative, she likes the old fashioned way. But if you tell me how you get your wife to do this, I would like to try it."

The driver says, "Give your wife two drinks and she will be all set."

The next morning they're cruising along and the driver asks, "How was it?"

When an eel has a maw with a pharyngeal jaw, that's a moray.

When the jaws open wide and there's more jaws inside, that's a moray
When it sulks in a reef and has two sets of teeth, that's a moray.
When an eel bites your thigh and you bleed out and die that's a moray

The passenger answers, "It was great, but it took my wife ten drinks."

The driver looks at him funny and says, "Ten drinks?"

The passenger says, "Yes. After two she was more than willing to make love that way, but it took her eight more to get her out on the front lawn!"
