Two guys left the bar after a long night of drinking. After a couple of minutes, an old man appeared in the passenger window and tapped lightly.

The passenger screamed, "Look at the window! There's an old ghost's face there!"

The driver sped up, but the old man's face stayed in the window. The passenger rolled his window down part way and, scared out of his wits, said, "What do you want?"

The old man softly replied, "You got any tobacco?"

The passenger handed the old man a cigarette and yelled, "Step on it," to the driver, rolling up the window in terror. A few minutes later they calmed down and started laughing again.

The driver said, "I don't know what happened, but don't worry we're doing 80 now." All of a sudden there was a light tapping on the window and the old man reappeared.

"There he is again!" the passenger yelled. He rolled down the window and shakily said, "Yes?"

"Do you have a light?" the old man quietly asked.

The passenger threw a lighter out the window saying, "Step on it!" They were flooring it and going about 100 miles an hour, trying to forget what they had just seen and heard, when all of a sudden there came some more tapping.

"Oh my God! He's back!" The passenger rolled down the window and screamed in stark terror, "WHAT NOW?"

The old man gently replied, "You want some help getting out of the mud?"

One great thing about the Florida heat is that you can guarantee that no one is waiting in your back seat to kill you

Did you know that Darth Vader had a brother in federal prison? His name was Taxi. Taxi Vader.

I'm starting a company that delivers exercise equipment to people's doors, regardless of whether they ordered it. I call it Jehovah's Fitness.

I went to cancel a doctor's appointment and they said it was a \$200 charge without a week's notice. I asked how much it was to reschedule, they said it was free.

"Okay, so I need to reschedule for two weeks out."

"Is three weeks okay?"

"Yep."

"Alright, you're all set for three weeks from now. Anything else I can do for you?"

"Yes, I need to cancel my appointment."

"We need a week's notice."

"My appointment is three weeks away."

"Oh. Okay. Sure."

"Thank you."

Couldn't believe it worked!

THERE'S NO NEED TO DRIVE ME CRAZY I'M CLOSE ENOUGH TO WALK

They say one in four people are homosexual, which is weird because I have three best friends, all guys. Makes me wonder which one of us would be gay. I hope it's Paul, he's cute.

A COLD SEAT IN A PUBLIC RESTROOM IS UNPLEASANT. A WARM SEAT IN A PUBLIC RESTROOM IS FAR WORSE.

I offer my kids \$500 for every A on their report card. It sends the message that education is a priority in our household and it costs me absolutely nothing since my kids aren't that bright.

I accidentally opened the fitness app and my phone immediately called to report itself stolen

I'm an adult the same way a folding lawn chair is furniture. Technically yes, but nobody's impressed and I'm definitely not stable.

Hi Guys, I have a serious problem I need help with... I have suspected for some time now that my wife has been cheating on me.

The usual signs: if the phone rings and I answer, the caller hangs up; she "goes out with the girls" a lot.

I try to stay awake to look out for her when she comes home but I usually fall asleep. Anyway, last night about midnight I hid in the shed behind the boat. When she came home she got out of someone's car buttoning her blouse, then she took her panties out of her purse and slipped them on.

It was at that moment, crouched behind the boat, that I noticed a hairline crack in the outboard engine mounting bracket. Is that something I can weld or do I need to replace the whole bracket?
