ALABAMA JACKS
Downtown Card Sound Road

On the back of the shirt is Carol's original image of a Cuban migrant fishing vessel, brought ashore in 1988 and propped in front of Alabama Jack's in the historic fishing village of Downtown Card Sound Road.

Carol photographed the boat with her film camera and some years later returned to hand-paint the now digital image on her computer.

The passage of time has erased most all the evidence of this once-thriving spot in the Florida Keys, the fishing boat vanquished back to sea with the Category 5 hurricane Andrew. However, the image still survives as a reminder of an earlier time.

Letter to the Editor
Bike Path to Golf Kart Path

Lots of towns and cities in the U.S. have allowed golf carts to use bike paths and walk ways. Our island needs to do that.

We need to allow golf carts to use our bike path, for several reasons:

1. It would save our citizens money, using electric instead of expensive gasoline to get around our island
2. It is better for our delicate ecology, saving on air pollution, and if you live by US 1 (we all do) you have seen the exhaust and street pollution on your property and automobiles parked in your yard caused by the traffic on US 1
3. It would cut down on traffic, especially during season.

I think to do this, our County should do the following:

1. Put and enforce a speed limit of 12 mph on the kart path which would also hopefully slow down those 30 mph dangerous electric scooters and bikes that use the path
2. Paint a center line down the path for proper karts and bike passing on either side
3. Require head lights and tail lights at night, just like bikes
4. Require karts to cross at our stop-lighted street intersections and the pedestrian crossing at the 100 mile marker
5. To support the cost of center painting the path, require a \$25 a year permit for use of the path with motorized non-combustion vehicles.

Let's ask the County to do something positive for our citizens! If you agree with me please contact monroecounty-fl.gov (phone:(305) 453-8787) and ask our Commissioners to pass this.
